3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.7 9 (c)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following is an extract from the Norton Housing Authority Admissions and Continued Occupancy Policy.

7.0 Taking Applications

Upon receipt of the family's application, the Norton Housing Authority will make a determination of eligibility. The Norton Housing Authority will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Norton Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following is an extract from the Norton Housing Authority Admissions and Continued Occupancy Policy.

8.3 Suitability

7.

8. A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Norton Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Norton Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

7. B. The Norton Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

1. 1. History of meeting financial obligations, especially rent;
2. 3. 2. Ability to maintain (or with assistance would have the ability to

maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;

1. 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

1. 3. History of disturbing neighbors or destruction of property;

1. 4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and

1. 5. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Norton Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Norton Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. 1. A credit check of the head, spouse and co-head;
2. 2. A rental history check of all adult family members;
3. 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Norton Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
4. 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also

consider any evidence of criminal activity; and

- 8.
9. 5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

- c. Yes No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?
- d. Yes No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?
- e. Yes No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

The following is an extract from our Admissions and Continued Occupancy Policy.

10.5 Offer of a Unit

When the Norton Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit and whose income category would help meet the income targeting goal.

The Norton Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Norton Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Norton Housing Authority will send the family a letter documenting the offer and the rejection.

10.6 Rejection of Unit

(5) business days from the date the letter was mailed to contact the Norton Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. b. Transfer policies:

In what circumstances will transfers take precedence over new admissions? (list below)

- Emergencies
- Overhoused
- Underhoused
- Medical justification
- Administrative reasons determined by the PHA (e.g., to permit modernization work)
- Resident choice: (state circumstances below)
- Other: (list below)

The following is an extract from the Norton Housing Authority Admissions and Continued Occupancy Policy

16.0 Unit Transfers

16.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

1. A. To address emergency situations.

1. B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
1. C. To facilitate a relocation when required for modernization or other management purposes.
1. D. To facilitate relocation of families with inadequate housing accommodations.
1. E. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 Categories of Transfers

1. Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.
1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Norton Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Norton Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 Incentive transfers

Transfer requests will be encouraged and approved for families that meet the following criteria:

7. A. Have been a tenant for one year;
7. B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
7. C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year which ever is less;
7. D. The family is current in the payment of all charges owed the Norton Housing Authority and has not paid late rent for at least one year;
7. E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
7. F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff.

16.5 Processing Transfers

1. Transfers on the waiting list will be sorted by the above categories and within each category by date and time.
1. Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.
1. Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.
1. Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.
- 2.

3. The following is the policy for the rejection of an offer to transfer:
- 4.
5. A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- 6.
7. B. If the transfer is being made at the request of the Norton Housing Authority and the family rejects two offers without good cause, the Norton Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Norton Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- 8.
- 9.
- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

If you give equal weight to one or more of these choices (either through an absolute hierarchy or through a point system), place the same number next to each. Families are required to report the following changes to the Norton Housing Authority between regular reexaminations. - 2.
3. B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Norton Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being

determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 15.8.

7. Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Norton Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

-or-

The Capital Fund Program Annual Statement is provided below: (if selected, copy the CFP Annual Statement from the Table Library and insert here)

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The needs we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and community.

This Capital Fund Program Annual Statement is based on the best information that was available to the Norton Housing Authority at the time we prepared the Annual Statement. Unfortunately, we are not aware of the exact amount of Capital Funds that will be available for our use in the affected fiscal year. When the specific amount is known, we may need to make required revisions to this Statement.

We have prepared our Capital Fund Program Annual Statement based on 92% of the amount we received for Federal Fiscal Year 1999. For the Federal Fiscal Year ended September 30, 1999 we were allocated \$50,000. Ninety two percent equates to \$46,000.

Please note that we have not provided preliminary cost estimates for the work items we plan to accomplish during Fiscal Year 2000. For reporting purposes, we are allocating the first year Annual Statement funding to operations.

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The State of Kansas Consolidated Plan endorses the continuing objectives of national housing policy in the National Affordable Housing Act of 1990, including: ensure that all residents have access to decent shelter; increase the supply of affordable housing; make neighborhoods safe and livable; expand opportunities for home ownership; provide a reliable supply of mortgage finance; and reduce generational poverty in assisted housing.

The Housing Development strategy includes focusing efforts towards providing housing opportunities to Kansans through the development of resources, partnerships and technical assistance. Among the principles of comprehensive development, the Consolidated Plan includes the creation of housing alternatives for the elderly and persons with disabilities which will provide a better quality of life for these residents and will establish the potential for cost savings for the State.

The Housing Development Plan contains the following priorities that relate to resident access to rental housing.

- Small, Related Households – Very Low and Low Income
- Large, Related Households – Very Low and Low Income
- Elderly Households – Very Low and Low Income
- All Other Households – Very Low and Low Income

Strategy objectives include replacement and rehabilitation of deteriorated rental housing stock; make rental housing affordable in higher cost markets. The Consolidated Plan acknowledges that some senior citizen housing has a high vacancy rate. Nevertheless, about 18,000 elderly households have housing problems. About 49% of elderly households pay more than 30% of their income on housing. Most elderly households are on fixed incomes. About 23,000 persons over age 65 are mobility impaired; about 31,000 persons over age 65 have self-care limitations. Attention must be given to elderly households with special needs.
