C. Strategy for Addressing Needs

Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency’s reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources

- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

There is currently an adequate supply of affordable housing for low income families in the jurisdiction of our agency as reflected by the absence of families on the waiting list.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

10.3 Selection From the Waiting List

The Housing Authority of the City of Jetmore shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

The application process requires the family to provide information establishing any preferences to which they may be entitled. This results in the family's placement on the waiting list.

Upon receipt of the full application, the Housing Authority of the City of Jetmore will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's eligibility for admission into the Public Housing Program.

The Housing Authority of the City of Jetmore will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Housing Authority of the City of Jetmore determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Housing Authority of the City of Jetmore will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

8.3 Suitability

7.

8. A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Housing Authority of the City of Jetmore will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Housing Authority of the City of Jetmore employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

7. B. The Housing Authority of the City of Jetmore will consider objective and reasonable aspects of the family's background, including the following:

1. History of meeting financial obligations, especially rent;
2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;

History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
3. History of disturbing neighbors or destruction of property;
4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
5. History of abusing alcohol in a way that may interfere with the health,

safety, or right to peaceful enjoyment by others.

C. The Housing Authority of the City of Jetmore will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Housing Authority of the City of Jetmore will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse and co-head;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides. Where the individual has lived outside the local area, the Housing Authority of the City of Jetmore may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);

10.6 Rejection of Unit

If in making the offer to the family the Housing Authority of the City of Jetmore skipped over other families on the waiting list in order to meet their income targeting goal, and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Housing Authority of the City of Jetmore did not skip over other families on the waiting list to reach this family, did not offer any other income targeting incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

c. If answer to b is no, list variations for any other than the primary public housing waiting list/s for the PHA:

- Resident choice: (state circumstances below)
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

16.0 Unit Transfers

16.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

1. A. To address emergency situations.
1. B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
1. C. To facilitate a relocation when required for modernization or other management purposes.
1. D. To facilitate relocation of families with inadequate housing accommodations.
1. E. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 Categories of Transfers

1. Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.
1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Housing Authority of the City of Jetmore occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Housing Authority of the City of Jetmore when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 Processing Transfers

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Housing Authority of the City of Jetmore and the family rejects two offers without good cause, the Housing Authority of the City of Jetmore will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Housing Authority of the City of Jetmore's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

The Capital Fund Program Annual Statement is provided below: (if selected, copy the CFP Annual Statement from the Table Library and insert here)

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The following forms are our Plan. The needs we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and community.

This Plan is based on the best information that was available to the Housing Authority at the time we prepared this Annual Statement. Unfortunately, we are not aware of the exact amount of Capital Funds that will be available for our use in the affected fiscal year. When the specific amount is known, we may need to make required revision to our Plan.

We calculated our Capital Fund Program Annual Statement estimated allocation for Fiscal Year 2000 based on 92% of the amount received for Federal Fiscal Year 1999. For the FFY 1999, we received \$30,451. Ninety two (92) percent of that amount is \$28,015.

Please note that we have not provided preliminary cost estimates for the work items we plan to accomplish during our Fiscal Year beginning October 1, 2000. In accordance with the Capital Fund Program final rule, we are exercising our option to allocate the first year funding to Account 1406 Public Housing Operations.

- The Housing Authority of the City of Jetmore will continue to market its public housing program to make families and elderly persons aware of the availability of decent, safe, sanitary and affordable housing in the City of Jetmore.

- The Housing Authority of the City of Jetmore’s Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:
 - (1) Provide improved living conditions for very low and low income families while maintaining their rent payments at an affordable level.
 - (2) To operate a socially and financially sound public housing agency that provides violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents and their families.
 - (3) To avoid concentrations of economically and socially deprived families in any of our public housing developments.
 - (4) To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.
 - (5) To attempt to house a tenant body in each development that is composed of families that is representative of the range of incomes of low income families in our jurisdiction.
 - (6) To facilitate the judicious management of our inventory and efficient management of our staff.
 - (7) To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

Finally, we are required to state how we intend to address our community's housing needs to the maximum extent practical. While we wish we could meet all of the significant needs that exist in our jurisdiction, we are not optimistic about this objective. The problem is that we lack the resources to resolve all of our housing needs. Neither the Housing Authority of the City of Jetmore nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to continue to apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year.

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The State of Kansas Consolidated Plan endorses the continuing objectives of national housing policy in the National Affordable Housing Act of 1990, including: ensure that all residents have access to decent shelter; increase the supply of affordable housing; make neighborhoods safe and livable; expand opportunities for home ownership; provide a reliable supply of mortgage finance; and reduce generational poverty in assisted housing.

The Housing Development strategy includes focusing efforts towards providing housing opportunities to Kansans through the development of resources, partnerships and technical assistance. Among the principles of comprehensive development, the Consolidated Plan includes the creation of housing alternatives for the elderly and persons with disabilities which will provide a better quality of life for these residents and will establish the potential for cost savings for the State.

The Housing Development Plan contains priorities that relate to resident access to rental housing in the following categories.

- Small, Related Households – Very Low and Low Income
- Large, Related Households – Very Low and Low Income
- Elderly Households – Very Low and Low Income
- All Other Households – Very Low and Low Income

Strategy objectives include:

- ❑ replacement and rehabilitation of deteriorated rental housing stock;
- ❑ make rental housing affordable in higher cost markets.
- ❑ The Consolidated Plan acknowledges that some senior citizen housing has a high vacancy rate. Nevertheless, about 18,000 elderly households have housing problems. About 49% of elderly households pay more than 30% of their income on housing. Most elderly households are on fixed incomes. About 23,000 persons over age 65 are mobility impaired; about 31,000 persons over age 65 have self-care limitations. Attention must be given to elderly households with special needs.
- ❑ Attention must be given to other households with special needs.
