Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Being a small Housing Authority, our annual plan is a simple plan, it is consistent with the Kansas Consolidated Plan and with any local plans. We will attempt to build on the past performance and continue to make the project a safe, attractive, decent place for elderly and/or handicap families. Our existing units are for elderly and/or handicap families, we plan to continue with these programs only. The waiting list we have at the present does not indicate any great need for additional housing, and no one on the present waiting list is disabled or handicapped. We held a public hearing on the plan on October 7, 1999, as required.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The PHA plans to address the housing need of families in the jurisdiction by monitoring the need for additional elderly housing, as well as monitoring the need for updating in existing housing. We believe the lack of need for additional low income housing at this time does not require additional strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- X Reduce turnover time for vacated public housing units
- X Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- X Other: (list below)

We do not feel there is a need for additional affordable housing units in the community at this time. We will continue to provide adequate maintenance and upkeep of existing units so as to not lose any units.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing

Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance

Employ admissions preferences aimed at families with economic hardships

Adopt rent policies to support and encourage work

X Other: (list below)

Existing units are elderly only, so we will try to take care of elderly families at or below 30% of AMI as we see the need for assistance.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Adopt rent policies to support and encourage work

X Other: (list below)

Existing units are elderly only. As we see the need for assistance for these elderly families, we will address them.

B. Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- X Seek designation of public housing for the elderly
Apply for special-purpose vouchers targeted to the elderly, should they become available

- Affirmatively market to local non-profit agencies that assist families with disabilities
- X Other: (list below)
We will monitor need for modifying existing units for disabled persons.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- X Other: (list below)
Continue to monitor race/ethnic situation in the community, presently no race/ethnic issues or needs present.

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

[Redacted area]

Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units

Market the section 8 program to owners outside of areas of poverty /minority concentrations

X Other: (list below)

Continually review policies and procedures to assure no discrimination.
