 - Other: (list below)

Other PHA Goals and Objectives: (list below)

Over the five year initiative, the city will address at least 20% of the anticipated unaddressed housing needs of approximately 866 lower income households which appear to be in need of some type of housing assistance (living in substandard housing, paying more than 50% of income toward housing costs, facing loss of property because of government action or government encouraged private development).

LHA hopes to encourage the redevelopment of the former McCormack Payton Warehouse, 200 Seneca St. into affordable housing. One plan calls for the city to purchase and upgrade the property with Section 108 Loan Guarantee Bonds, tied to a Section 8 commitment toward the structure's occupancy. The city is also exploring private development interest in the project which may produce the same conclusion: creation of 70-80 lower income housing units.

Planters II restoration and upgrade will continue, enhanced by the CIAP formula grants which will off-set extraordinary maintenance operations.

Annual PHA Plan
PHA Fiscal Year 2000

[24 CFR Part 903.7]

i. Annual Plan Type:

Streamlined Plan:

- High Performing PHA**
 Small Agency (<250 Public Housing Units)
 Administering Section 8 Only

ii. Executive Summary of the Annual PHA Plan (excerpted from LHA's hard copy, Quality Housing and Work Responsibility Plan as adopted September 14, 1999, and as thereafter submitted to HUD).

[24 CFR Part 903.7 9 (r)]

The Quality Housing and Work Responsibility Plan is a roadmap to public and other lower income housing opportunities both present and future. It is an abstract of US Housing law and local policy.

LHA identified 866 households with unmet housing assistance needs. To help meet those needs, the city will try to attract Low Income Housing Tax Credits and other state and federal resources to provide affordable housing opportunities.

The new plan stresses the relationship to “community work,” “welfare to work” and other self-sufficiency initiatives. The administrative processes incorporated in the plan are compliant with federal regulations.

LHA provides one public housing project—Planter's II, a 105 unit, elderly high rise apartment building, and administers approximately 250 housing vouchers.

C. Strategy for Addressing Needs

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Utilize mixed finance and mixed use developments, tax credits, tax increment financing and other ingredients to provide a greater supply of affordable housing supported by available Section 8 Vouchers.

Strategy 2: Increase the number of affordable housing units by:

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)
