## **DOWNS HOUSING AUTHORITY**

### **DECONCENTRATION POLICY**

#### **PUBLIC HOUSING:**

In an ongoing effort for the Housing Authority to meet or exceed the laws and regulations regarding its public housing programs, the following Deconcentration Policy has been developed in order to comply with the Quality Housing and Work Responsibility Act of 1998, Section 513.

**INCOME MIX TARGETING:** To meet the requirements of the Act and subsequent HUD regulations, at least 40 percent of families admitted to public housing by the Housing Authority must have incomes that do not exceed 30% of the area median. If 40% or more of the Housing Authority units are occupied by families whose incomes do not exceed 30% of the area median income, this requirement shall be considered as being met.

**PROHIBITION OF CONCENTRATION OF LOW-INCOME FAMILIES:** The Housing Authority will not, in meeting this income mix targeting, concentrate very low-income families, or other families with relatively low incomes, in public housing units in certain buildings. The Housing Authority will review the income and occupancy characteristics of the buildings in the project to ensure that a low-income concentration does not occur.

**DECONCENTRATION:** The Housing Authority will make every effort to deconcentrate families of certain income characteristics within the Authority development. To achieve this, the Housing Authority will offer incentives for eligible families having higher incomes to occupy dwelling units in buildings predominantly occupied by eligible families having lower incomes, and provide for occupancy of eligible families having lower incomes in buildings predominantly occupied by eligible families having higher incomes. Incentives by the Housing Authority allow for the eligible family to have the sole discretion in determining whether to accept the incentive and the Housing Authority will not take any adverse action toward any eligible family for choosing not to accept these incentives. The skipping of a family on the waiting list to reach another family to implement this Deconcentration Policy shall not be considered an adverse action. As such, the Housing Authority will continue to accept application and place the individuals on a waiting list. Selection will be made based on a combination of the local preferences and an income target mix.

The Housing Authority will track the income mix within each building as an effort to avoid a concentration of higher or lower income families in any one building.

## Attachment ks086002a01

The HUD FY 2000 Income Limits and Fair Market Rent Data show the thirty, fifty and eighty percents of the Median Income per number in a household are as follows:

# Person	30% of Median	50% Very Low Income	80% Low Income
1	8650	14400	2300
2	9850	16450	26300
3	11100	18500	29600
4	12350	20550	32900
5	13300	22200	35500
6	14300	23850	38150
7	15300	25500	40750
8	16300	27150	43400

On 9/12/2000 the Authority has 29 of its 30 public housing units filled as follows:

% of median	# families	%
30	12	41.3
50	11	37.9
80	6	20.8

As shown by the above chart, the Authority meets the QWHRA of 1998 requirements for the entire Authority ( as well as for its one development ).

On 9/12/2000, the Authority had 2 families on its waiting list and both of them were below 30 % of AMI.

The Authority's only project has greater than forty (40) percent of the families with thirty (30) percent or less of the median income. The waiting list also has greater than forty percent of families with thirty percent or less of the median income.

Monitoring will be conducted to confirm that at least forty (40) percent of all leased units will be within thirty (30) percent of median income.

**QUALIFIED COMMUNITY SERVICE ORGANIZATIONS AND ACTIVITIES**

As a convenience to covered residents, the Housing Authority will develop, post on the Authority's bulletin boards and provide to covered residents a list of qualified organizations (and activities) that have agreed to work with residents in helping them satisfy their community service requirement. Residents are not limited to the published list and are encouraged to identify other organizations and activities. To ensure compliance with this community service policy, residents should seek the Housing Authority's approval prior to volunteering for organizations or performing activities not included on the published list. It is the Housing Authority's policy to provide great latitude in approving community service organizations and activities.

**DETERMINING RESIDENT STATUS**

Per the Housing Authority's approved Admission and Continued Occupancy Policy (ACOP):

The status of all applicant family members will be determined and families notified during the application process.

During annual (or every three years for residents paying flat rents) recertifications, the status of each family member will be reviewed and determined.

Between recertifications, residents are required to notify the Housing Authority within ten (10) days when there is a change in employment, income, family composition or welfare-to-work training or employment activities. The Housing Authority will use this information to determine changes, if any, in family member status.

Members will be informed verbally and in writing of their community service requirement.

**ASSURING RESIDENT COMPLIANCE**

The Housing Authority shall review and verify family compliance with service requirements annually at least thirty (30) days before the end of the twelve (12) month lease term. The Housing Authority will retain reasonable documentation of service requirement performance or exemption in resident family files.

If the Housing Authority determines that a covered family member has not complied with their service requirement, the Housing Authority will notify the family of this determination, describe the noncompliance and state the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The family enters into an agreement with the Authority that the noncompliant family member will cure such noncompliance within the twelve (12) month term of the new lease while also satisfying the on-going service requirement.

Or the family provides written assurance satisfactory to the Authority that the noncompliant family member no longer resides in the unit.

Families may request a grievance hearing on the Housing Authority's determination in accordance with the Authority's approved Grievance Procedure.

**SIGNED CERTIFICATIONS**

The Housing Authority management staff will provide signed certifications of any community service activities administered by the Authority. In a similar manner, organizations other than the Authority, who administer qualifying activities must provide signed certifications.

The Housing Authority will provide covered residents with three part, prepaid post card size certification forms which the residents will present to the organization administering the qualifying activities for certification approval and signatures. The person(s) approved for signing the certifications will tear the three part, prepaid mailer form apart, give one copy to the resident, keep one copy, and drop the prepaid (and pre-addressed) part in the mail back to the Authority. The Authority will file the returned cards in each covered resident's file.
