# 1. Statement of Housing Needs

[24 CFR Part 903.79 (a)]

## A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

1 - Based on CHAS Table 1E. Elderly includes both elderly & frail elderly.

2 – Based on CHAS Table 1C.

3 – There is a surplus of housing in the \$250 - \$499 rent range, but a shortage of housing in all other rent categories.

4 – Only 20% of the housing stock in Kansas was built before 1940.

5 – Minorities in Kansas experience some disproportionate needs in housing, i.e. five percentage points of need greater than the level of need for all households in the same income category, tenure type, or family type. For example, the percentages of very low and low income black homeowners with housing problems exceed the percentages of all very low and low income homeowners with housing problems by more than five percentage points. Also, the percentages of very low income Hispanic homeowners and renters with

housing problems exceed the percentages of all very low income homeowners and renters with housing problems by more than five percentage points. Exact numbers are unavailable.

Note: While the rental housing market is soft on a statewide basis, there is a reported shortage of 2 bedroom units in the City of Columbus, inflating the need for this type of housing within the jurisdiction.

What sources of information did the PHA use to conduct this analysis? (Check all that apply; all materials must be made available for public inspection.)

- Consolidated Plan of the Jurisdiction/s: State of Kansas  
Indicate year: FFY 1999-2001
