Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The Housing Authority of Morgantown will provide a wide variety of structured activities to insure that there is something of interest for all youth while at the same time, provide drug and alcohol prevention training; address peer pressure, self-esteem, responsibility and academic issues; and teach the importance of becoming an involved family and community member. Our goal is to involve more youth in these structured activities thereby eliminating the threat of being drawn into illegal activities and at the same time increasing their social and academic awareness. By encouraging parents to get involved in these activities, we hope to also teach them responsibility and the importance of being an involved family and community member.

We will analyze and evaluate the attitude and behavior results of the annual resident survey, the results of the HUD’s Resident Services and Satisfaction Survey, monitor grade reports to evaluate academic results of youth in the after-school tutoring programs, and track participation of residents in HA and partnered programs.

The Housing Authority of Morgantown is a member of a group called PAK (Partners About Kids) which is a local group that consists of representatives from agencies such as the Butler County Health Department, the Department of Social Services, the Department of Social Insurance, the Butler County Extension Service, Community Action of Southern Kentucky, the Morgantown Methodist Mission, the Boys and Girls Club of Butler County, the Butler County Family Resource Center, the Butler County Youth Services Center, Community Education, Even Start, PACE, the Butler County Sheriff’s Department, the Morgantown City Police Department and Lifeskills. This group and these agencies have continued to support our effort with a generous donation of time as well as other in-kind contributions. The purpose of the group is to keep all members informed of agencies policies and programs. By sharing this information, all agencies can work closely to provide a wealth of information to their clients and make the proper referrals and partner to implement programs.
