**A. Mission**

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)

The mission of the Fulton Housing Authority (FHA) is to provide drug free, decent, safe, and sanitary housing for eligible families and to provide opportunities that promote self-sufficiency and economic independence for residents.

In order to achieve this mission we will recognize residents as our ultimate customer, improve FHA management and service delivery efforts through effective and efficient management of FHA staff, seek problem-solving partnerships with residents, community, and government leadership, and apply limited FHA resources to the effective and efficient management and operation of FHA programs.

**B. Goals**

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

The FHA elects to use its own goals and objectives which are as follows:

**Goal 1: Promote the overall goal of drug free, decent, safe and sanitary housing.**

Objectives:

1. Insure a social and economic mix of residents within each FHA neighborhood in order to foster social stability and upward mobility by applying a broad range of incomes and adhering to the local preference policy regarding working families.
2. Insure the fiscal stability of FHA
3. Lawfully deny admission or continued occupancy to applicants or residents whose presence in a FHA neighborhood is likely to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood or create a danger to FHA employees
4. Insure the elderly families can live in the FHA as long as they are able to live independently and/or have someone to help them live independently as in the case of a live-in aid.

**Goal 2: Comply in letter and spirit with Title VI of the Civil Rights Act of 1964, and all other applicable federal laws and regulations to insure that admission to, and continued occupancy in, the FHA are conducted without regard to race, color, religion, creed, sex, national origin, disability, or familial status .**

Objective:

1. Develop and use a brochure describing these civil rights by April 1, 2001. The brochure will be given to all upon application, initial lease-up, and recertification. It will describe what rights the families

have and where to get assistance if they believe their rights have been violated.

**Goal 3: Improve the quality of life for residents by continuing established resident services programs, including the Public Housing Drug Elimination Program, EDSS if awarded, eviction prevention, drug and alcohol counseling, single parents' retreats, career nights, and literacy programs.**

Objectives:

1. Even with shrinking federal financial assistance, the FHA will at least maintain these initiatives at their present level.
2. Complete an application under the ROSS NOFA.

**Goal 4: Maximize homeownership opportunities for residents living in housing operated by FHA.**

Objective:

1. Establish a non-profit agency to support its homeownership activities by April 1, 2002.
