ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

In accordance with Section 511 of the Quality Housing and Work Responsibility Act of 1998, the Housing Authority of Springfield is pleased to submit the Agency Plan.

The Agency Annual Plan is presented in two sections:

Section 1-Five Year Plan: This section includes the Housing Authority of Springfield's Mission Statement, goals and objectives. The Housing Authority has considered the Mission Statement, goals and objectives of HUD in developing the Five Year Plan.

Section 2-Annual Plan: This section includes the components required to be submitted by a small Housing Authority designated a high performing Housing Authority.

Please refer to the Table of Contents for the components included. Any required components that are not included in this submission are so indicated in the Table of Contents along with the location of the applicable materials and the date submitted to The Department of Housing & Urban Development (HUD), if required.

In this first year of required submission, the Housing Authority has elected to continue to operate its programs in an efficient, cost effective manner and to explore the options authorized by the Quality Housing and Work Responsibility Act of 1998 (QHWRA). Our priority will be to increase our applicant base and reduce our vacancies through

establishment of flat rents, installation of central air conditioning and increased security. If it is established that Springfield is overbuilt with low-rent housing, we will investigate the possibility of mortgaging of public housing properties

The Five Year and Annual Plans were available for review by the public on January 4, 2000 at the Housing Authorities Main Office in Springfield, Kentucky as noted in the public notice published in The Springfield Sun on December 1, 1999. An attendance sheet for the public hearing as well as minutes, including resident/public comments are available for review in the Housing Authority's file on the Annual Plan. All comments received have been considered and addressed by the Housing Authority and the Board of Commissioners approved the Five Year and Annual Plans for submission to HUD on March 22, 2000.

Attachment A

10.4 DECONCENTRATION POLICY

It is Springfield Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end,

we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Springfield Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DECONCENTRATION INCENTIVES

The Springfield Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.
