ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission. The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- ❖ Adopted three preferences—for applicants who live or work in Mt. Vernon, for working families (seniors and people with disabilities automatically get this preference), and victims of domestic violence.**
- ❖ Adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. Our screening practices will meet all fair housing requirements.**
- ❖ Have implemented a tenacious deconcentration policy.**
- ❖ Applicants will be selected from the waiting list by preference and in order of the date and time they applied.**

- ❖ **Have established a minimum rent of \$50**
- ❖ **Have established flat rents for all of our developments.**
- ❖ **In an attempt to encourage work and advancement in the workplace, we are not requiring interim recertifications if a resident has an increase in income. The increase will be reported at the next regular recertification.**

In summary, we are on course to improve the condition of affordable housing in Mt. Vernon.

In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Strategy: While we wish we could meet the needs that may exist in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address our housing needs. Neither the Housing Authority nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year. Whenever possible we will respond to HUD NOFAs (Notice of Funding Availability) to increase the amount of affordable housing in Mt. Vernon.

(1) Strategies
