The Consolidated Plan goals and objectives are similar to this agency in the following ways:

Improve the condition of housing and expand fair housing opportunities especially for persons of low and moderate income.

Rehabilitation of appropriate existing housing units

Aside from goals and objectives, the Consolidated Plan clearly states that the majority of need is found in the low and extremely low income groups and that substandard housing is still a concern of all jurisdictions. In Floyd County, this need is very obvious in the older population. Many older citizens own their homes, but do not have the funds to bring them up to standard condition. These citizens have no wish to borrow funds, using their property as collateral, as they fear the loss of this security. We have joined forces with the County to combat this problem.
