Annual Statement

Capital Fund Program (CFP) Part I: Summary

Capital Fund Grant Number LA 48P02790799 FFY of Grant Approval: 1999

Original Annual Statement

The Quality Housing and work Responsibility Act of 1998 requires that housing authorities set forth in their Annul Plan a Capital Improvement Plan. The needs we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and the community. This Plan is based on the best information that was available to the Housing Authority of the City of New Iberia at the time we prepared the Plan. Unfortunately, we were not notified of the exact amount of Capital Funds that will be available for our use in the affected fiscal year. When exact information is received, we may need to make required revisions to this Plan.
