The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The PHA's mission is: (state mission here)

The overall mission of the Cottonport Housing Authority is to promote adequate and affordable housing, economic opportunity, and a suitable living environment without discrimination. Our strategic goals are: 1) to increase the availability of decent, safe and affordable housing in our communities; 2) to ensure equal opportunity in housing for all; 3) to promote self-sufficiency and asset development of families and individuals, and 4) to improve community quality of life and economic vitality.

This mission is consistent with the goals and objectives of HUD and QHWRA. It makes clear that the Cottonport Housing Authority has a role that extends beyond simply housing assistance. The housing provided must support families, neighborhoods, and economic self-sufficiency. Among other matters, it means that the Cottonport Housing Authority will not provide housing which concentrates poverty or fosters dependence.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

On October 8, 1998, Congress passed the Quality Housing and Work Responsibility Act (QHWRA) of 1998. It was attached to the 1999 HUD Appropriations Act and signed into law by the President on October 21, 1998. It amends, rather than repeals, the United States Housing Act of 1937.

In developing QHWRA, Congress found that there exists throughout the nation a need for decent, safe, and affordable housing. Further, it found that the inventory of public housing units owned,

or operated by public housing agencies, an asset which the Federal Government has invested over \$90 billion dollars, has traditionally provided rental housing that is affordable to low-income persons. Despite serving this critical function, the public housing system is plagued by a series of problems, including concentration of very poor people in very poor neighborhoods and lack of incentives for economic self-sufficiency. The Federal method of overseeing every aspect of public housing by detailed and complex statutes and regulations has aggravated the problem and has placed excessive administrative burdens on public housing agencies. Finally, Congress has concluded that the interests of low-income persons, and the public interest will best be served by a reformed public housing program which consolidates many public housing programs into programs for the operation and capital needs of public housing; streamlines program requirements; vests in public agencies that perform will in maximum feasible authority, discretion, and control with appropriate accountability to public housing residents, localities, and general public; and rewards employment and economic self-sufficiency for public housing residents.

The purpose of this Agency Plan is to provide guidance for the Cottonport Housing Authority in promoting homes which are affordable to low-income families in safe and healthy environments, and thereby contributing to the supply of affordable housing for our fiscal years 2000 through 2004. Through implementation of this Agency Plan, the Cottonport Housing Authority will be enabled to perform as a property and asset manager; have more flexible use of Federal assistance; be able to leverage and combine assistance amounts with amounts obtained from other sources; facilitate mixed income communities and decrease concentrations of poverty; create incentives and economic opportunities for residents.

Realizing that the U.S. Department of Housing and Urban Development has required that agency plans must be submitted to HUD at least 75 days prior to the start of our fiscal year; that we must conduct a public hearing to discuss the five year plan; that at least 45 days prior to the public hearing we must make our proposed plan available to the public; and that we must take into consideration any public comments received in regards to the plan before the Board of Commissioners formally adopts the plan, the Cottonport Housing Authority performed the below listed process:

- A. Our PHA hired a local consulting firm to assist with the development of our plan. This firm assisted us in gathering all data required for the development of this plan and conducted a physical and management assessment of our agency.
- B. The consultants prepared a DRAFT of the plan and submitted to us for review and comment.
- C. We then submitted this DRAFT to our Board of Commissioners and Resident Advisory Board for review and comment. We also made available a copy for review in our office.
- D. We observed the 45 day waiting and comment period.
- E. We advertised for a public hearing by publishing in the local newspapers.
- F. We conducted the hearing and received no comments from the total public housing population and the general community.

- G. We then finalized our plan.
- H. We obtained Board of Commissioner approval for submission to HUD.

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
