 **Administering Section 8 Only**

## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the Town of White Castle (PHA) is a small PHMAP Standard-Performer agency located in Iberville Parish, Louisiana. The PHA manages 142 units of public housing at three developments.

The mission of the PHA is:

To promote adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The PHA will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in our community.
- B. Ensuring equal opportunity in housing for everyone
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.
- E. Increase resident participation through resident council and/or advisory committee.
- F. To provide timely response to resident request for maintenance problems.
- G. To continue to enforce our "One Strike" policies for resident and applicants.
- H. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The PHA's financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the

services and activities for its residents.

The PHA has assessed the housing needs of White Castle and surrounding Iberville Parish area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a small agency. The PHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The PHA has determined that its housing strategy complies with the state of Louisiana's Consolidated Plan

The PHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The PHA has established a minimum rent of \$25.00 and elected to recognize its flat and ceiling rents synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value.

The PHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The PHA has no plans to demolish or dispose of any of its properties nor does it have or plan to establish a Homeownership program. The PHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The PHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The PHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the PHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of PHA's Agency Plan to HUD before July 18, 2000.

Because the PHA is a small PHA (under 250 units), it was not required to respond to the following Annual Plan components.

- Operations and Management
- Grievances Procedures
- Designation of Public Housing
- Conversion of Public Housing
- Community Service
- Asset Management

## DECONCENTRATION POLICY

It is the policy of the Housing Authority of the Town of White Castle (PHA) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the PHA is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing development. Also the PHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the PHA does not concentrate families with higher income levels, it is the goal of the PHA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The PHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the PHA.

To accomplish the deconcentration goals the PHA will take the following actions:

- A. At the beginning of each fiscal year, the PHA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
  - 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
  - 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the PHA's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.
