## 1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

### **A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

### **NEEDS ASSESSMENT RESPONSE**

The Quality Housing and Work responsibility Act of 1998 requires that housing authorities set forth in our Annual Plan a Need Assessment of the housing of our jurisdiction and our waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the Housing Needs Section of our Consolidation Plan. It shows there is a significant need for additional affordable housing resources in our community. Also, per the requirements. We have attached data and tables that provide an analysis of our waiting list.

The information was analyzed in the following manner. We gathered data from our waiting lists and the Catahoula Consolidated Plan. Then we look at this information from the perspective of the required groups and for the factors set forth in the Interim Rule. Finally, we consulted with the creators of the Catahoula Plan to ensure that they agree with our analysis.

The Catahoula Housing Authority used this analysis to prepare our five-year goals and objectives. It reflects our priorities that we have set forth in our Mission Statement.

Finally, we are required to state how we intend to address our community's housing needs to the maximum extent practical. While we wish we could meet the needs that exists in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address our housing needs. Neither the Catahoula Housing Authority nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year. Whenever possible we will respond to HUD NOFAs (Notice of Funding Availability) to increase the amount of affordable housing in Catahoula.
