[24 CFR Part 903.7 9 (r)]

**The Weymouth Housing Authority has prepared this Agency plan in compliance with Section 511 of the Quality housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.**

We have adopted the following Mission Statement: The Weymouth Housing Authority's mission is to provide affordable, decent, safe, and sanitary housing through the maintenance of our existing housing units and the development of new housing units. To adopt appropriate management policies and procedures to insure efficient and responsive operations. To support residents in their efforts to achieve self-sufficiency. To promote resident participation and active involvement of the residents in their community and resident advisory boards and to honor public commitments in a fiscally and ethically responsible manner.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach

toward our goals and objectives and are consistent with the Consolidated Plan. Here are a few highlights of our Annual Plan:

- We have adopted the following preferences for admissions to our programs: victims of domestic violence, working families and those unable to work because of age or disability, veterans and veteran's families, residents who live and or work in the jurisdiction and those enrolled currently in educational, training, or upward mobility programs.
- We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 program, we are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- We have established a deconcentration policy; however, with only forty(40) public housing units, we are hard pressed to not assist the lower income families. We will use every means possible to encourage families of income level above 40% of median income to apply for residency.
- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$25.00 for public housing and \$25.00 for the Section 8 program.
- In an attempt to encourage work and advancement in the workplace. we are not requiring interim recertifications if a resident or Section 8 participant has an increase income. The income will be reported at the next regular recertification. We will allow earned income exclusions for any unemployed families for 12 months.
- We are going to 105% of the published FMR's as our payment standard for the Section 8 program; however, in special circumstances we may go to 110%.

In summary, we are on course to improve the condition of affordable housing in the Weymouth Housing Authority.

### Deconcentration Policy

The Weymouth Housing Authority has reviewed the concentration of lower income families in its area and has found that our development does not adversely affect the income mix of the census tract.

The Weymouth Housing Authority's Deconcentration Policy therefore is: that we are not implementing any deconcentration policy. However, we will review the concentration of families and if we approach the 40% concentration level, we will review the policy.
