A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Medway Housing Authority PHA Plans

Attachment 1 (MA157a01)

The MHA's Income Targeting Policy, with supporting information on the Housing Needs Assessment, is attached.

Income Targeting Policy

In accordance with the 1998 Quality Housing and Work Responsibility Act (QHWRA) the Medway Housing Authority will make every effort towards the achieving a balance of incomes (0-80% of AMI) in its federal conventional family public housing program.

Effective July 1, 2000, the Medway Housing Authority shall:

- I. Employ an income-tiered waiting list such that when a federal family public housing unit becomes available to applicants on the waiting list, units are offered to extremely low-income ($\leq 30\%$ AMI) and very-low and low-income ($>30\%$ but $\leq 80\%$ AMI) applicants **on an alternating basis to achieve its income targeting goals of 40% of new admissions to households $\leq 30\%$ AMI and 60% of new admissions to households $>30\%$ but $\leq 80\%$ AMI). The housing authority may skip over some applicants in order to meet its income targeting goals.**

The housing authority will use the following preference within the income-tier categories for its federal family public housing developments:

- Residents who live and/or work in the jurisdiction

Housing Needs Analysis in Support of Income-Targeting

Effective July 1, 2000, the MHA is adopting the following income targets for **NEW ADMISSIONS** into its federal family public housing:

FEDERAL FAMILY PUBLIC HOUSING INCOME TARGETS

40% New Admissions to Households $\leq 30\%$ AMI

60% New Admissions to Households $> 30\%$ $\leq 80\%$ AMI

The analysis behind the MHA’s income targets for new admissions is based on the following housing needs analysis and the federal minimum targeting standards of 40% of new admissions in federal family public housing to households ≤ 30% AMI.

- ❖ There are approximately 254 Renter Households in Medway ≤ 30% AMI indicating a need to meet the federal minimum targeting standards of at least 40% of new admissions in federal family public housing to households ≤ 30% AMI.
- ❖ Approximately 81% (as many as 75 Households) of the MHA’s Total Waiting List for Federal Public Housing is comprised of Households ≤ 30% AMI indicating a need to meet the federal minimum targeting standards of at least 40% of new admissions in federal family public housing to households ≤ 30% AMI.

Currently, the MHA’s existing Federal Public Housing Demographics suggest that the MHA is serving the following Household Income Groups:

MHA’s Existing Federal Public Housing Program Demographics (Source = MTCS)	
Household Income	Federal Public Housing % of Households
0-30% AMI	40%
> 30% £ 50% AMI	43%
> 50% £ 80%+ AMI (Includes > 80% and Unavailable)	17%

SUMMARY

Based on the above data and analysis, it appears as if the MHA can meet its targeting goal of 40% of new admissions in federal family public housing to households ≤ 30% AMI.

The MHA should monitor its new admissions on a regular basis and report to HUD any difficulties encountered in achieving its income targeting goals in its federal family public housing.

Medway Housing Authority PHA Plans

Attachment 2 (MA157b01)

The MHA's Rent Determination Policy is attached.

Rent Determination Policy

Effective July 1, 2000, and, in accordance with the 1998 Quality Housing and Work Responsibility Act (QHWRA), the Medway Housing Authority will offer existing tenants and new admissions to conventional federal public housing the opportunity to elect to pay a “**flat rent**” or a rent that does not exceed more than 30 percent of adjusted monthly income. Residents who choose the flat rent will have their income reviewed every three years. At any time a tenant becomes unable to pay the flat rent **due to financial hardship**, he/she may request to switch to an income-based rent. **The reduced rent payment will be effective no later than the first of the month following the month the family reported the hardship, provided that there is adequate documentation to support the hardship claim.** The housing authority may change the flat rent amount with approval by the board and through a public notification process.

Financial hardships include but are not limited to: A documented reduction in income, or a documented increase in expenses.

Flat Rents

Flat rents will be determined based on an assessment of the reasonable market value of a unit and the housing authority’s strategy to provide affordable housing and encourage self-sufficiency.

The following flat rent monthly payment standard will apply beginning **July 1, 2000**:

- 1 bedroom unit - \$500.00/month**
- 2 bedroom unit - \$650.00/month**
- 3 bedroom unit - \$850.00/month**
- 4 bedroom unit - \$950.00/month**

Minimum Rents

The minimum rent for tenants of public housing will be set at \$50.00.

Working Families

The following tenants of Federal Public Housing Program are eligible for a disallowance of earned income:

- Family members who become employed after a year or more of unemployment.
- Family members who experience an increase in income due to participation in a family self-sufficiency or job training program.
- Family members who experience an increase in income and were an assisted family under the TANF program.
- Family members who were “significantly underemployed” (worked less than 10 hours a week for 50 weeks at the minimum wage) in the previous 12 months.

Phase-Down on Disallowance of Earned Income

The disallowance of earned income for eligible households will be phased-down according to the following schedule:

Year 1

During the 12-month period beginning on the date of such employment, the rent for these families will not be increased.

Year 2

During the second year, the rent will not be increased more than 50% of the amount of the total rent increase.

Year 3

During the third year, the balance of the rent increase will be applied.

Families who currently have, or qualify for, the 18-month disregard under 5.609(c)(13) prior to September 30, 1999 can continue that disregard; however they will not be eligible for the phase down of new income.
