[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based on the needs found in the Comprehensive Housing Affordability Strategy (CHAS), the following housing needs were determined. In the “Overall” column in the Housing Needs of Families in the Jurisdiction, below, we have provided an estimated number of renter families that have housing needs. For the remaining characteristics, we have rated the impact of that factor on the housing needs of each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” If no information is available upon which the PHA can make an assessment, “N/A” is indicated.

C. Strategy for Addressing Needs

Due to our more stringent occupancy requirements and evictions for drug use, our focus this upcoming year will be increasing the number of applicants on our waiting list through outreach. Because our waiting list is low in number, there appears not to be a general shortage of affordable housing, or at the least a shortage of housing for families in Somerset County who wish to reside in Crisfield and abide by the lease requirements.

The focus of our strategy is to provide the best quality housing through effective maintenance and management policies, continued renovation of our apartments, and enforcement of the lease requirements.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

- Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- Funding constraints
