C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The needs of families on the waiting lists will be addressed largely through re-occupancy of vacated units. The Commission has noticed a recent acceleration in unit turnover resulting from many original, long-term residents moving out. As such, there is no immediate intention on the part of the commission to expand the availability of affordable elderly housing. The commission does, however, intend to expand the availability of Section 8 Vouchers as part of its designation plan, thereby addressing the need for affordable housing for disabled populations.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available in support of an approved designation plan
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- Funding constraints
- Staffing constraints

2. If yes, the comments are: (if comments were received, the PHA **MUST** select one)

Attached at Attachment (File name)

Provided below:

Resident Advisory Board Comments:

- Comment: Regarding discussion of worst score on Safety from survey. All members agreed overwhelmingly that the poor score on safety is most likely direct result of resident perceptions and fear of younger mentally ill residents.
- Response: Housing Coordinator presented Elderly Designation plan and told members that the designation plan had already been sent to HUD for approval along with an application for section 8 vouchers. If, indeed, the security issue is the result of disabled residents, we should expect a significant improvement in the security score. Inquired as to what other measures we could employ to improve safety. No responses from group.
- Comment: Residents are afraid to call 9-1-1 for fear of being evicted to report other residents.
- Response: Board members should encourage other residents to get involved if other residents are breaking lease and house rules. Resident Board members should also encourage other residents to put complaints in writing to the Housing Commission, and that complaints will remain confidential unless needed in a court proceeding.
- Comment: Would like a list of residents along with emergency card information for all resident managers use in case of emergency.
- Response: Deputy Director will attempt to create a report from computer system which will list the emergency contacts for each resident and will send report out with other reports at the end of each month.
- Comment: Complaint that police are unresponsive to calls.
- Response: Explained that we are exploring and have included in the plan the occupancy and use of some units at each building by Dearborn Police. Housing Director is in discussions with Police Chief re: police occupancy in housing units and at weekly department head/mayor's meetings such issues are regularly discussed. Will share concern with Housing Director to resolve/discuss with police chief.
- Comment: Ticket cars without stickers.

- Response: Heavy handed parking enforcement is generally not necessary at Kennedy and Townsend, as ample space is provided for residents and guests. Sisson Manor is a problem and the building manager and custodian will be requested to more vigorously monitor parking at that property, issue tickets and have violators towed and impounded.
- Comment: Parking in handicap spaces for months and vehicles are broken down.
- Response: Deputy Director questioned whether vehicles in question were properly licensed and had a housing parking sticker. Response was generally yes. Told residents that we have and will continue to tow and impound vehicles which are not properly licensed. Residents were encouraged to call me directly and I will have license plates checked and towed if necessary. Will not and cannot have cars of residents towed away or removed from lots and/or specific parking spaces simply because they are not use often.
- Comment: “No parking sign” needed near back entrance door.
- Response: Will discuss with Housing Director, but generally agree that the area in the rear of the building at the driveway should be no parking. Would prefer to have pavement marked if it is decided to proceed rather than signs.
- Comment: Annual apartment inspections are currently being done. Want surprise inspections of apartments without notice, as some residents clean up in preparation for inspections.
- Response: Deputy Director stated that is a violation of the existing lease and laws which require “reasonable advance” notice prior to entering a unit for other than emergencies. Housing inspector provides as little notice (24 hr) as possible to be in compliance.
- Comment: Possible problem on 4th & 5th floors at Townsend with roaches. Can all apartments be sprayed for roaches?
- Response: Explained pest control contractor visits which occur monthly. Also explained that, for health reasons, constant spraying is not the preferred course of action. However, if monthly preventative measures are not taking care of the problem, we certainly will provide notice to all residents of spraying and will take care of the problem immediately.
- Comment: Maintenance managers do not enforce the lease and rules.

Response: Will re-educate managers with Rules of Occupancy and lease provisions. Will discuss at next maintenance staff meeting, and will distribute and discuss up-to-date rules of occupancy and leases with managers and custodians. Also restated that residents must also get involved when they are aware that other residents are violating their leases and provide written complaints to housing.

Comment: Would like to discuss specific design of kitchen cabinets planned for Townsend.

Response: Cabinets at Townsend are included in the PHA Capital Fund Plan. Discussed electrical problems which must also be addressed during kitchen renovations. Explained that architects are primarily responsible for development of specifications, however, as plans progress, I will share the specifications with residents prior to soliciting bids and will include those items they want if possible and within the scope and budget.

Comment: (After discussion of *possible* balcony enclosures), How will balcony enclosures affect air conditioner circulation?

Response: Do not even know if enclosure is possible and must rely on structural engineers evaluation of balcony weight bearing ability. Do not anticipate problems in this regard, as balconies will have large sliding windows which will provide air for a/c units.

Comment: Blinds look terrible in common areas. Can they be replaced?

Response: We generally address vertical blinds in all areas via the normal operating budget, replacing those slats and tracks which are inoperable on an as needed basis. Will evaluate the vertical blinds in common area for possible inclusion in lobby furnishing replacement included in year 5 of Capital Fund projects.

Comment: Cement apron broken by contractor resurfacing parking at Sisson Manor.

Response: This item was included on punch list for paving contractor Retained funds (10%) are not disbursed until all punch list items are completed.

Comment: Board wanted to know if City owned Hubbard Manor East & West apartments received any capital fund money.

- Response: Deputy Director responded no. All monies from Capital fund are for Federally subsidized properties only.
- Comment: Wanted to know when public hearing was in July for Elderly Only Designation. Residents would like to attend and offered a letter sent by building committee to other residents in support of designated housing plan..
- Response: July, 24th at 4:00 PM in housing commission conference room. Based upon attendance, will be moved to City Council chambers which is reserved for that day.

Public Comments

- Comment: 06/22/00 – Review of PHA Plan by local resident concerned about “young disabled” residents in public housing. Wanted to make sure this was addressed in the plan. Resident was also concerned about any proposed development of additional housing anticipated in the plan.
- Response: Elderly designation is included in the plan and application was recently sent to HUD Special application center.

Resident Advisory Board Comments - (September 22, 2000):

(following initial review by HUD and required deficiency corrections)

- Comment: What is Fair Market Rent Level? (Townsend Towers)
- Response: Deputy Director explained that HUD establishes a “Fair Market Rent Level for each PMSA (primary metropolitan statistical area) which represents the market rate for unassisted units in the area. Also provided was a brief explanation of how the Section 8 Rental Assistance program works.
- Comment: Will everyone be required to choose flat rent ? (Townsend Towers)
- Response: No. Everyone will be offered the opportunity to choose the flat rent vs. annual recertification. Clarification of how flat rents would operate and examples of how, in some cases, flat rents could actually benefit some residents resolved the question.
- Comment: Question/complaint regarding the date the heat/boilers are tuned on. (Townsend Towers)
- Response: Long-term weather forecasts for projected lows are monitored and management makes a best guess as to when the boilers should be turned on

for the season. Boilers are not currently on, as we are conducting boiler inspection with the State Boiler Inspector.

Comment: Question regarding bus schedules and routes. (Townsend Towers)

Response: Outreach coordinator, Housing Coordinator and Director will, within the next 6 months, be evaluating the current senior citizen bus route for coordination with the activities and services offered at the newly renovated senior center, theatre, and athletic facility schedule to open in the late Fall.

Comment: Question regarding the proposed balcony enclosure. Resident wanted to make sure balconies would be resurfaced prior to enclosing them, and complaint about pigeons. (Kennedy Plaza)

Response: Balconies at all buildings will be resurfaced and sealed. The enclosure of balconies is an issues which must be reviewed by structural engineers as to feasibility. There is no guarantee that we will be able to enclose balconies, but all balconies will be resurfaced as condition of surfaces requires resurfacing in any event.

Comment: Complaint regarding the side door binding on threshold. (Kennedy Plaza)

Response: Referred to maintenance staff for repair.

Comment: What is being done about “younger disabled residents.”? Can they be forced to move when approval of elderly designation is received? (Complaint specifically identified several residents at Sisson Manor)

Response: Explained that the plan provides that current residents who are not part of the designated population would not be required to move. They will, however, be offered and given priority for Section 8 Rental assistance which was tied to approval of the designation plan. Any remaining residents will still be required to comply with their lease conditions or face the possibility of eviction.

Comment: What will flat rents be and why is it needed or required? Will my rent go up? (Sisson Manor)

Response: See response to same question at Townsend Towers above.

Comment: Complaint regarding one particularly confused elderly resident. (Sisson Manor)

Response: Referred to Outreach Counselor to make contact with family and doctor(s).
