(3) Search Time

- a. Yes No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below:

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Ypsilanti Housing Commission may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Ypsilanti Housing Commission will grant the length of request sought by the family or 60 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Ypsilanti Housing Commission will grant an extension allowing the family the full 120 days search time. If the Ypsilanti Housing Commission determines that additional search time would be a reasonable accommodation, the Ypsilanti Housing Commission will request HUD to approve an additional extension.

Upon submittal of a completed request for approval of tenancy form, the Ypsilanti Housing Commission will suspend the term of the voucher. The term will be in suspension until the date the Ypsilanti Housing Commission provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Ypsilanti Housing Commission is taking action on their request. A family may submit a second request for approval of tenancy before the Ypsilanti Housing Commission finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Ypsilanti Housing Commission's action on the second submittal. No more than two requests will be concurrently considered.
