**The Benton Township Housing Commission (BTHC) is a Standard-Performer agency located in Berrien County, Michigan. The BTHC manages 300 public housing units in two developments.**

**The BTHC will accomplish its mission ideals through its goals and objectives:**

- 1. Providing decent, safe and affordable housing in the Benton Charter Township community.**
- 2. The housing commission shall ensure equal treatment of all applicants, residents, tenant-based participants, employees and vendors.**
- 3. Enhance the image of public housing in our community.**
- 4. Improve access of public housing residents to services that support economic opportunity and quality of life.**
- 5. Improve resident and community perception of safety and security in the housing commission developments.**
- 6. Increase resident participation through resident councils and /or advisory committee.**
- 7. To provide a timely response to resident request for maintenance problems.**
- 8. To return vacated unit with new resident in 30 days.**

9. To continue to enforce our “One Strike” policies for resident and applicants.
10. To improve and/or maintain our financial stability through aggressive rent collections.

The BTHC’s financial resources include; an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees these funds will be used to operate the agency in the most cost effective means possible and still provide the services and activities for it residents.

The BTHC has assessed the housing needs of Benton Charter Township and surrounding Berrien County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for our agency. The BTHC has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The BTHC has determined that its housing strategy complies with the state of Michigan’s Consolidated Plan.

The BTHC has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The BTHC has established a minimum rent of \$50.00 and elected to recognize its flat and ceiling rents.

The BTHC has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The BTHC has no plans to demolish or dispose of any of it properties nor does it have any plans to establish a Homeownership program. The BTHC has joined with the local police department to develop safety and crime prevention that adequately meets the needs of it residents.

The BTHC has developed an agency Pet Policy that allows families to have a pet if they follow a set of rules.

The BTHC has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing.

Because the BTHC is a High Performer, it was not required to respond to the following Annual Plan components:

### **Deconcentration**

It is Benton Township Housing Commission’s policy to provide for deconcentration of poverty and encourage income mixing by bringing

higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Benton Township Housing Commission will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our development is located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

The Benton Township Housing Commission may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development. Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.
