**SOUTH HAVEN HOUSING COMMISSION  
FY2000 HOUSING AGENCY PLAN  
EXECUTIVE SUMMARY**

**INTRODUCTION**

The Quality Housing And Work Responsibility Act of 1998 requires each Public Housing Commission to develop a Housing Agency Plan (HAP) in concert with a Resident Advisory Board (RAB). Each Housing Agency Plan must address five year goals and objectives (Five Year Plan) as well as routine policies, procedures and programs (Annual Plan). This Executive Summary provides an overview of the South Haven Housing Commission's proposed FY2000 Housing Agency Plan.

**MISSION STATEMENT**

It is the mission of the South Haven Housing Commission to promote adequate and affordable housing, economic opportunities and a suitable living environment free from discrimination.

**FIVE YEAR GOALS**

- Expand the supply of affordable rental and homeownership housing by building new units using tax credits, HOME funds, state grants, bonds or other funding sources, and by applying for Section 8 Vouchers should they become available.
- Establish a 5(h) Homeownership program to sell up to 50 units in development number MI082-01
- Improve the quality of assisted housing by continuing to modernize and add amenities to existing public housing units and by adding additional security lighting
- Promote self-sufficiency and asset development of families and individuals by attracting and coordinating supportive services
- Identify and pursue alternative funding sources so that the Housing Commission is not solely dependent upon HUD operating and capital grants

## HOUSING NEEDS

Per the State of Michigan Consolidated Plan, the goals of expanding affordable rental and homeownership housing for low income families and providing supportive housing for the elderly (and other persons with special needs) are among the state's top priorities. The Housing Commission's goals to develop additional affordable rental and homeownership housing complies fully with the state's identified housing needs and priorities.

Analysis of the Housing Commission's current residents and applicants on the waiting lists indicate the Housing Commission's need to attract higher income residents in its elderly units.

## FINANCIAL RESOURCES

Analysis of the Housing Commission's current budget and preliminary information from HUD indicate the Housing Commission may receive in FY2000 approximately the following.

Capital Fund	\$202,839
Operating Fund (subsidy)	\$114,937
Rents	\$242,440
Non-dwelling rental	\$ 2,040
Other income	\$ 25,250
