[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Winona HRA is currently in a state of transition. The Board of Commissioners has just hired an Executive Director after a six-month search and is now in the process of re-organizing its staff and evaluating its mission and its role in the community. Because of this transition, the Winona HRA will be re-assessing its five year plan over the coming months to ensure that the current direction is the best for the community and the residents served by the HRA.

In the meantime, the Winona HRA will continue to work toward those goals that it has identified in the past. The Winona HRA will also work closely with its Resident Advisory Board and Resident Councils to assess the effectiveness of its existing policies and procedures.

The Winona HRA has identified the following initiatives and policies to be implements in the following year:

- 1) Completion of the demolition project at Maplewood Townhomes.
- 2) Continuation of the renovation of the remaining units at Maplewood Townhomes.
- 3) Submission to HUD of a plan to designate Valley View Tower for Occupancy by Elderly families.

In keeping with the Quality Housing and Work Responsibility Act of 1998, the Winona HRA is revising its Admissions and Continued Occupancy Policy for Public Housing and its Section 8 Administrative Plan. Those proposed policies are available for review at the HRA Administrative Office. The proposed policies incorporate the changes required by the above law and include provisions that encourage residents to obtain employment as detailed in the following pages.

# **1. Statement of Housing Needs**

[24 CFR Part 903.7 9 (a)]

## **A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

The HRA gathered data from the 1990 Census for the City of Winona and incorporated data from the Comprehensive Study of Housing and Industrial Development in Winona, County, Minnesota prepared by Maxfield Research, Inc. in September of 1999 to complete the following table:

<b>Housing Needs of Families in the Jurisdiction by Family Type</b>							
Family Type	Overall	Afford- ability	Supply	Quality	Access- ibility	Size	Loca- tion
Income <= 30% of AMI	1,019	3	3	4	3	4	2
Income >30% but <=50% of AMI	612	3	3	4	3	5	2
Income >50% but <80% of AMI	442	3	3	4	3	3	2
Elderly	635	2	2	3	2	3	2
Families with Disabilities	n/a	n/a	n/a	n/a	n/a	n/a	n/a
Race/Ethnicity: White	3,296	3	3	4	3	3	2
Race/Ethnicity: Black	24	3	3	4	3	3	2

Housing Needs of Families in the Jurisdiction by Family Type							
Family Type	Overall	Afford-ability	Supply	Quality	Access-ibility	Size	Loca-tion
Race/Ethnicity: Am. Ind./Alask.	7	3	3	4	3	3	2
Race/Ethnicity: Asian/Pac Islnd	41	3	3	4	3	5	2

What sources of information did the PHA use to conduct this analysis? (Check all that apply; all materials must be made available for public inspection.)

- Consolidated Plan of the Jurisdiction/s  
Indicate year:
- U.S. Census data: the Comprehensive Housing Affordability Strategy (“CHAS”) dataset
- American Housing Survey data  
Indicate year:
- Other housing market study: Maxfield Research Study  
Indicate year: 1999
- Other sources: (list and indicate year of information)

The Housing Study completed by Maxfield Research Company indicates that the City of Winona's population is forecast to increase slowly from 1998 to 2000, adding only 168 people during that time frame. The study estimates the need for subsidized housing in Winona County as follows:

Demand for subsidized General Occupancy Rental: - 20 units  
Demand for subsidized Senior Housing: +101 units

The study indicates that there does not appear to be a significant demand for additional subsidized rental units to accommodate the housing needs of household earning less than 50 percent of the county median income. However, the study did not include households earning between 50 and 80 percent of the county median income, who would also be eligible to live in assisted housing. If those households had been included, the demand for subsidized housing would be much greater, as indicated by the above chart.

A RESOLUTION  
CERTIFYING THE WINONA HRA'S POLICY  
ON DE-CONCENTRATION OF POVERTY AND INCOME MIXING

BE IT RESOLVED, That the Housing and Redevelopment Authority of Winona, Minnesota, hereby certifies that it has analyzed the income of tenants in its developments to determine if pockets of poverty exist. The HRA has revised its policies to provide for de-concentration of poverty as follows:

**DE-CONCENTRATION POLICY.** It is Winona HRA's policy to provide for de-concentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Winona HRA will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and de-concentration incentives to implement.
