Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Bernie Housing Authority is a small Authority with sixty units of low-income public housing. The apartments are located in two developments at one site in Stoddard County. The Housing Authority is a small, high performing agency assessed through PHMAP.

The Housing Authority is to promote quality and affordable housing for low-income, very low-income, and extremely low-income eligible families and persons. The aim is to promote safe communities and the economic and social well being of the residents. The Housing Authority will promote and ensure equal opportunity in housing for all citizens.

The Housing Authority hopes to accomplish this through the following goals:

1. To provide decent, safe, and affordable housing in our community
2. To ensure equal opportunity in housing for everyone
3. To provide an improved environment
4. To provide timely responses to resident requests for maintenance problems
5. To try to increase resident participation

At the present time, nineteen of the sixty units are occupied by single-parent families. Of these nineteen, three were from a homeless shelter. Six single-parent residents are working and one is attending college. The Housing Authority houses twenty two elderly persons, thirteen disabled persons, three special needs persons and three working families. The income of the sixty families living in housing range from an annual low of \$1,800 to \$17,680. The last census shows the City of Bernie has had a decrease in population.

The Housing Authority will continue to operate the Authority in a way to provide units to eligible persons when units become available. The Housing Authority will advertise for applications, when needed, through newspapers, television, contact with ministers, schools, Division of Family Service Offices, and homeless/abuse shelters. It is felt these areas of contact will provide individuals in areas of need who are low and very low income families.

The Housing Authority, over the next five years, will continue to upgrade the present housing stock through capital funds and other sources available to housing to make the units have more curb appeal.

The Housing Authority provides any resident or applicant the HUD phone numbers and contacts to find out about programs for homeownership when requested. The Housing Authority will also print information off the Internet for individuals.

The Housing Authority has financial resources that include operating subsidy, capital fund and dwelling rent. These funds will be used to operate the Housing Authority in a cost effective way and provide the best services to the residents.

The Housing Authority has updated the Admissions and Continued Occupancy Policy, Dwelling Lease, and Grievance Procedures to comply with the QHWRRA requirements. The Housing Authority has a minimum rent of \$50.00 and flat/ceiling rents are determined by the local Fair Market Rents (FMR) to determine the dollar amount for the rents. The Housing Authority feels the housing needs of the Bernie area are currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The Housing Authority has established local preferences and a Deconcentration Policy to encourage applicants that can qualify for public housing. The Housing Authority feels its housing strategy complies with the State of Missouri Consolidated Plan.

The Housing Authority does not plan to demolish, dispose of, or convert any of its properties. The Housing Authority has developed a

Five Year Plan and Annual Plan to address the capital/modernization improvements for the Authority. The Housing Authority has a Five Year Action Plan for Capital Funds. It is anticipated the Authority will receive funding over the next five year period. The funds will be used to upgrade the housing stock to maintain the decent, safe and affordable housing.

The Housing Authority has worked with the local police department to determine and develop safety and crime strategies that cover the needs of the residents. The Housing Authority will continue to work with the local police department to continue to make the Authority a safe place to live. The Housing Authority will continue to enforce the One Strike You're out Policy.

The Housing Authority has developed a Pet Policy, according to QHWRA requirements, which will allow families to have a pet if they follow the policy.

The Housing Authority is working to improve the lack of knowledge or education regarding individual fair housing rights. The Housing Authority has handouts provided by HUD Fair Housing and had developed a handout to provide residents and/or applicants about their housing rights.

The Housing Authority will continue to adhere to the Civil Rights requirements and will affirmatively further fair housing. The Housing Authority had made the documentation of the Five Year and Annual Plan available to the public for review during a 45 day period prior to submission to HUD.

Since the Housing Authority is a PHMAP High Performer and a small agency, it is not required to respond to the Annual Plan components of Operations and Management; Designation of Public Housing; Conversion of Public Housing; Homeownership; Community Service; and Asset Management.

The Housing Authority has had public meetings to discuss and get input on the Housing Authority plans with the housing residents and area residents.
