[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Clinton Housing Authority's 2000 Annual Plan is a document that serves several purposes. First, The Annual Plan gives evidence that all mandatory policies and procedures have been implemented. Policies and procedures are largely based upon directive from the Department of Housing and Urban Development . These policies and procedures foster sound management and provide tenants with protections and opportunities. Secondly, the Annual Plan documents the current fiscal soundness of Clinton's PHA. And finally, the Annual Plan includes a section on needed physical improvements through the FY 2000 Capital Fund Program 5 Year Action Plan. This element of the Annual Plan will serve as a useful tool in future improvements to both the physical condition of Clinton's PHA and to the quality of life of our residents.

Clinton's PHA, through its Board of Directors, Residents Advisory Board and Management, places its highest priority upon its customers. We will continue to maintain a high level of customer satisfaction, while always searching for innovative approaches to addressing new demands.
