## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Gideon Housing Authority is a small PHMAP High-Performer agency located in New Madrid County, Missouri. The GHA manages 34 units of public housing at a single site.

The mission of the GHA is:

To provide adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly. Contributing to safe communities and encouraging individuals and families to rise from a dependent status to be proud, independent citizens.

The GHA will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in our community.
2. Ensuring equal opportunity in housing for everyone
3. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
4. Improving community quality of life and economic vitality.
5. Increase resident participation through resident council and/or advisory committee.
6. To provide timely response to resident request for maintenance problems.
7. To return vacated units with new resident in 20 days.

8. To continue to enforce our "One Strike" policies for resident and applicants.
9. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The GHAs financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The GHA has assessed the housing needs of Gideon and surrounding New Madrid County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The GHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The GHA has determined that its housing strategy complies with the state of Missouri's Consolidated Plan

The GHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The GHA has established a minimum rent of \$50.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The GHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The GHA has no plans to demolish or dispose of any of its properties. The GHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The GHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The GHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the GHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of GHA's Agency Plan to HUD on December 1, 1999

Because the GHA is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

1. Operations and Management
2. Grievances Procedures
3. Designation of Public Housing
4. Conversion of Public Housing
5. Homeownership

## **DECONCENTRATION POLICY**

It is the policy of the Gideon Housing Authority (PHA) to house families in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the PHA is to house no less than 40% of its inventory, by public housing development, with families that have income at or below 30% of the area median income. Also the PHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the PHA does not concentrate families with higher income levels, it is the goal of the PHA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The PHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the PHA.

To accomplish the deconcentration goal the PHA will take the following actions:

- A. At the beginning of each fiscal year, the PHA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
  - 1. House not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income.
  - 2. Not house families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total households living the development with incomes that exceed 30% of the area median income. The PHA's tenant selection process provides for the utilization of local preferences with regards to applicant selection from its waiting list.
