# Annual PHA Plan PHA Fiscal Year 2000

[24 CFR Part 903.7]

## **i. Annual Plan Type:**

Select which type of Annual Plan the PHA will submit.

**Standard Plan**

### **Streamlined Plan:**

- High Performing PHA**
- Small Agency (<250 Public Housing Units)**
- Administering Section 8 Only**

**Troubled Agency Plan**

## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

### **Overview**

The annual plan of The Housing Authority of the City of Springfield, Missouri (HAS Properties) represents a comprehensive look at the operations structure of the organization as well as areas to which the Corporation may want to go in the future. In some cases, areas or directions we are considering were not selected into various questions concerning the options of the PHA's, because of the fact that those directions were being considered and had not been at the time this plan was created, initiated.

### **Housing Need**

The figures used on the housing needs table were derived in part from the Consolidated Plan of Springfield, Missouri an entitlement city jurisdiction, and documents the city used to create its consolidated plan which was formally adopted in the early part of the year, 2000. In addition CHAS data was reviewed for the section of the housing needs table which attempted to gauge, on a 1 to 5 sliding scale, the importance of certain housing criteria, including affordability and accessibility.

Renters, single parent households, households with special needs and minorities can be identified as the groups with the most acute housing needs. There appears to be a significant part of the jurisdiction that cannot afford suitable housing in an acceptable condition on the income they generate. Nevertheless, it is a fact that at this Housing Authority in the Public Housing Program there is no waiting list for units and there have been none in recent history. Therefore, to attempt to correct this apparent dichotomy, we will attempt to make news of the vacancies at this PHA more available to the public, through advertising and information campaigns.

### **Citizen Participation**

The residents by and through their resident council and by and through individual meetings at individual developments, have been solicited for comments regarding this PHA plan and its contents, as well as the PHA operation as a whole. At the present time two written comments have been received and the resident board is considering a form provided to them for additional comment upon the plan and its contents. A public hearing was conducted on April 3, 2000 at which the Board of Commissioners for HAS Properties were present and for which two published notices were run in local newspapers of general circulation. The comments received so far are very specifically orientated and are more susceptible to treatment by the maintenance department of the PHA than by a policy shift in the PHA overall.

### **General Goals of the PHA**

The general goals of this Housing Authority are to modernize the facilities we have and to market our strengths to ensure increased participation in our programs, while attempting to pay for these efforts out of the various funding programs available to us. We are exploring HOPE VI Funds, CDBG Funds, Tax Credit Financing (Section 42), and additional Comp Grant monies to renovate properties already owned by this PHA. We will continue our extensive drug prevention services with additional funding there if possible, and work towards designating certain areas of the PHA for elderly residents.

The obvious general goal is to keep this PHA, which is organized as Municipal Corporation, a viable entity, eventually capable of sustaining itself with less Government subsidy and help, and yet still able to provide the basic services disadvantaged people need in order to have the best chance possible of shaping their lives into something more positive.

### **CONCLUSION**

Overall both the Annual and the 5 year PHA plans required under QWHRA 98 have been helpful for forcing an introspective look at the operations of the PHA. Likewise, this project has recreated or established channels of communication amongst the various departments and personnel of the PHA. Finally, the process has forced us to focus on operations and to prioritize the changes most immediately necessary to ensure the continued viability of the Corporation.

## **1. Statement of Housing Needs**

[24 CFR Part 903.7 9 (a)]

### **A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.
