NEOSHO HOUSING AUTHORITY

RESOLUTION

Effective: March 16, 2000

DECONCENTRATION POLICY

Section 513 of the Quality Housing and Work Responsibility Act of 1998 and Section 16 of the U.S. Housing Act of 1937 (42 U.S.C. 1437) requires that Public Housing Agencies must adopt Policy designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income Public Housing Development and bringing lower income tenants into higher income Public Housing Development.

The Neosho Housing Authority will continue to improve our properties to be competitive and will not utilize or impose any specific income quotas, nor will we offer incentives for eligible families to occupy units in the development predominately occupied by families having either lower or high incomes. The incentives are not applicable at this time due to market factors. The Neosho Housing Authority is currently housing all program eligible participants per date and time of application as they are available to fill vacant units.
