**DECONCENTRATION AND INCOME MIXING POLICY**

*This policy is designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects.*

1. **GENERAL:** *The Yazoo City Housing Authority institutes these guidelines and procedures for deconcentration of poverty and income mixing of eligible families. It is the goal of the Yazoo City Housing Authority to have fair mix of families with varying income in each of the sites operated by the Yazoo City Housing Authority. This goal will be achieved by income mixing and offering incentives to higher income families.*
  
2. **PROCEDURES:**
  - A. *Income Mixing.- To ensure there is no concentration of only very-low income families or higher income families in any one site, the following guidelines have been established:*
    1. *Each fiscal year at least 40 percent of families admitted to public housing by the Yazoo City Housing Authority must have income that does not exceed 30 percent of area median.*
  
    2. *Skipping of a family on the waiting list specifically to reach another family with a lower or higher income is permissible, provided that such skipping is uniformly applied.*
