# Annual PHA Plan PHA Fiscal Year 2000

[24 CFR Part 903.7]

## **i. Annual Plan Type:**

Select which type of Annual Plan the PHA will submit.

**Standard Plan**

### **Streamlined Plan:**

- High Performing PHA**  
 **Small Agency (<250 Public Housing Units)**  
 **Administering Section 8 Only**

**Troubled Agency Plan**

## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Laurinburg Housing Authority is a medium-sized Housing Authority located in Scotland County, Laurinburg, North Carolina. Ours is a rural, economically distressed county in southeastern North Carolina. The Authority currently manages four hundred ninety-two (492) units of Public Housing and three hundred eighty-two (382) units of Section 8 Rental Assistance.

Our Public Housing units range in age from those constructed in 1952 to those constructed in 1981. The Agency's most recent development was made possible through the acquisition of twenty (20) single-family houses. In addition, during 1999 our Section 8 Program grew by one hundred (100) units, when we applied for and received one hundred (100) Welfare to Work Vouchers.

Public Housing operation is funded nationwide through a funding formula known as the Performance Funding System. The Laurinburg Housing Authority is the eighth (8<sup>th</sup>) lowest-funded Housing Authority in North Carolina. In 1999, we received \$100.00 dollars per unit per month less than our neighboring Authority located in Lumberton, North Carolina. As a result, this converts to our four hundred ninety-two (492) units receiving over five hundred thousand dollars (\$500,000.00) less funding than our neighboring Authority in Lumberton. This low level of funding over the past twenty-five years has resulted in a backlog of needs. Although we receive approximately \$500,000.00 in Modernization funds, each year there is not enough funding to modernize our units or add the amenities that are considered standard in today's rental market.

**Our agency faces serious issues as we move into the new century. We have no easy answers and no quick fixes for the problems we face. Our plan is basic and addresses the most elemental problems.**

## PLANNING PROCESS

The Board of Commissioners met on September 21, 1999, for their annual Strategic Planning Session. The Strategic Plan developed by the Commissioners is a guide of goals with specific activities and time lines to be developed by the staff.

The Board reviewed the Mission Statement included in the Federal Register, which reads as follows:

1. *Increasing the availability of decent, safe and affordable housing.*
2. *Ensuring equal opportunity in housing. Promote the self-sufficiency and asset development of families.*
3. *Improve community quality of life and economic vitality.*

The Board also reviewed the Mission Statements of the Southern Pines Housing Authority and the Maxton Housing Authority. (Note: The review of these agencies' mission statements is relevant due to our management contracts with these agencies)

After some discussion, the Board consensus was that the Laurinburg Housing Authority's Mission Statement should read as follows:

To provide housing that is adequate, affordable and is a suitable living environment for low-income citizens by:

1. *Developing funding/resources*
2. *Maintaining existing housing stock*
3. *Promoting quality of life/service programs*
4. *Promoting self-sufficiency and upward mobility*
5. *Staying abreast of current and future trends.*

The Board then addressed the question, how should we accomplish our mission? The Board discussed this question for some time and developed the following list of goals (listed in order of priority):

1. *Focus on staff development and recruitment*
2. *Maintain existing programs and housing stock (despite declining income from HUD)*
3. *Assessment of aging housing stock*
4. *Continue innovation and move toward private-sector management style*
5. *Get a handle on new regulations and how they will affect our agency*
  - *Stay current (informed)*
  - *Be proactive to change*

Having established goals and priorities for the agency, the Board considered what activities might be done to help the agency achieve these goals. The consensus of the Board is as follows:

### Activities

1. Assessment of old stock
  - Evaluate continued use (viability of existing stock) vs. demolition (20 year general plan)
  - Need for modernization
2. Evaluate current personnel activities and develop a more comprehensive Human Resources Program.
3. Evaluate current management practices for efficiency and effectiveness
4. Assessment of future housing needs and how to meet those needs
5. Investigate potential ventures, partnerships and alliances

### Possible Programs/Housing and/or Activities

To carry on this agency's innovative approach, the Board listed the following items as **potential activities** in the future.

1. Daycare (1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> shifts)
2. Single-Family Housing Development
3. Boys and Girls Club
4. Assisted Living
5. Scholarship for residents
6. New Affordable Housing Development
7. Use of consultants for evaluations, studies, applications and training

### **OPERATIONAL AND POLICY CHANGES**

During 1999, the Board and staff developed several new policies as guidance was received from regulations published in the Federal Register.

#### **New Policies**

The following new policies were drafted by staff and reviewed by the Board in August 1999. These policies were then made available to the residents for comment.

- Minimum Rent Hardship Policy
- De-Concentration Policy
- Resident Advisory Committee Policy

By approval of the Plan, the Board of Commissioners is giving final approval to these policies. The Plan also amends the Admissions and Occupancy Policy by:

- Establishing new local preferences as a response to the De-Concentration Policy
- Establishing a Community Service Policy
- Amending the Grievance Procedure to comply with the One-Strike Drug Policy, the Non-Citizen Rule and the designation of North Carolina as a Due Process State by the Department of Housing and Urban Development

No optional changes have been made in any of the Policies of the Laurinburg Housing Authority at this time. Any such changes will be studied and debated and if approved, placed in the Fiscal Year Ending 2001 Plan submission.

The Policies included in the Plan have been available for comment for forty-five (45) days and have been available for comment at a Public Hearing.

### **CONTINUING UPDATING AND IMPLEMENTATION OF THE QHWRA**

During the next year the Board will be reviewing all policies and updating those that are outdated. Each policy will be reviewed and amended as required by regulations when those regulations are issued. Accordingly the lease will be amended to reflect the new requirements.

#### **Definition of Significant Amendment or Modification**

The Plan is a general document designed to outline the operational intent of the Laurinburg Housing Authority with general goals for five (5) years and more specific goals for the next twelve (12) months. The Plan will not be considered significantly amended or modified unless the operational intent of the Authority is changed. Changes in policy as a result of regulatory changes or decisions to exercise options and budgetary changes in response to changing circumstances will not be considered significant and will be addressed by the Board of Commissioners as routine matters.

#### **Definition of Substantial Deviation**

The Plan is a general document designed as a general outline guide for the daily operations of the Laurinburg Housing Authority with general goals for five (5) years and more specific goals for the next twelve (12) months. An activity will not be considered a "Substantial Deviation" unless the operational intent or mission of the Authority is changed. Changes in procedure to carry out the mission, whether; as a result of regulatory changes or decisions to exercise option, budgetary changes in response to changing circumstances or other adjustment necessary to carry out the mission will not be considered substantial and will be addressed by the Board of Commissioners as routine matters.
