D. Other Information Required by HUD

Use this section to provide any additional information requested by HUD.

The HHA wanted to include a summary of comments addressed at the public hearing by Pisgah Legal Services (Legal Aid) in order to demonstrate to HUD their willingness and commitment to providing the best available housing resources to residents in the face of administrative limits and financial limits. Regardless of the HHA's individual abilities, the role to provide safe, decent and affordable housing to its low, very low and extremely low income residents remains a very strong one. As such, the HHA reviewed the comments by legal aide and will take them into consideration upon submission of the required Annual Update of the Agency Plan. The comments addressed issues relate to the ACOP the lease and the Grievance procedure.

ACOP

Legal services raised questions regarding the definitions of family, persons with disabilities, preferences, screening factors, time limits for convicted felons, deconcentration, waiting list organization and rent determination/rent switching methods.

All comments were considered, but no changes were enacted in the initial Agency Plan.

Lease

Comments related to the lease dealt mainly with rent structures and drug-related/criminal activity. The HHA is in compliance with all regulations set forth in the 1998 QHWRA and therefore did not make any changes to its lease based on comments from Pisgah Legal Services.

Grievance

Legal services raised a question regarding the specific role of the hearing officer/hearing panel and when a resident had a right to have an informal hearing. The Grievance procedure addresses this question and therefore, no changes were made to the HHA's grievance Procedure for the first submission of the Agency Plan.

Use this section to provide any additional attachments referenced in the Plans.

Deconcentration Policy

The Housing Authority will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Authority's public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the Housing Authority.

In order to achieve deconcentration, the PHA may choose to skip an applicant on the waiting list in order to house a family who is willing to accept a unit in a targeted development. The PHA may also grant incentive rents (or other incentives) for the purpose of creating mixed income communities and lessening the concentration of extremely-low and very-low income families in one area. The applicant family shall have sole discretion of determining whether to accept the incentive and the Housing Authority shall not take any adverse action toward any eligible family for choosing not to accept an incentive.

The following chart is an analysis of Hendersonville's current resident population. This chart will be updated at least annually to ensure that Hendersonville's developments remain deconcentrated.

HENDERSONVILLE HOUSING AUTHORITY

“Substantial Deviation” and “Significant Amendment or Modification”

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans; Final Rule issued on October 21, 1999 is very specific with respect to the information a PHA must provide in its Agency Plan. Part 903 Section 7 (r) (2) states that a PHA must identify the basic criteria the PHA will use for determining:

- A. A substantial deviation from its Five-Year Plan; and
- B. A significant amendment or modification to its Five-Year Plan and Annual Plan.

Notice PIH 99-51 states that PHAs must define the terms “Substantial Deviation” and “Significant Amendment or Modification” by stating the basic criteria for such definitions in an annual plan that has met full public process and Resident Advisory Board review.

HUD considers the following actions to be Significant Amendments or Modifications:

- A. Changes to rent or admissions policies or organization of the waiting list;
- B. Additions of non-emergency work items (items not included in the current Annual Statement or Five-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- C. Additions of new activities not included in the current PHDEP Plan; and
- D. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five-Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.
