Monroe Housing Authority

Income Targeting and Tenant Selection and Assignment

(Section – 513)

The primary goals of this policy are to:

- 1- Prohibition of concentration of low-income families in public housing and
- 2- Income targeting.

The Monroe Housing Authority may not concentrate very low-income families in public housing units in certain public housing projects or certain buildings within projects. The Monroe Housing Authority will submit with its annual PHA plan an admission policy designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenant into lower income projects and lower income tenants into higher income projects. The Monroe Housing Authority may offer incentives for eligible families having higher incomes to occupy dwelling units in projects predominantly occupied by eligible families having lower incomes and provide for occupancy of eligible families having lower incomes in projects predominantly occupied by eligible families having higher incomes. The skipping of a family on the waiting list to reach another family to implement deconcentration will be utilized as permitted by HUD. This policy will not interfere with the use of site-based waiting list.

Not less than 40% of new families will have incomes at or below 30% of the area median income.

Other admissions will be at or below 80% of the area median income.

Fundability will be allowed only to the extent that relatively higher income families move into public housing units in census tracts having a poverty rate of at least 30%.

This Income Targeting and Tenant Selection and Assignment Policy is in accordance with the Summary of the Q.H.W.R.A. of 1998 as prepared by the Office of Policy, Program and Legislation Initiatives and is established for the Monroe Housing Authority, by action of the Board of Commissioners.

Monroe Housing Authority Policy for the Implementation of Community Service and Self Sufficiency Requirements

The Monroe Housing Authority, to meet the Community Service requirements, offers the Public Housing Resident and opportunity to contribute to the community that supports them.

The community service opportunities, or locations, will include but are not limited to: within the jurisdiction; activities to improve the physical environment of the resident's development; volunteer work in local schools, hospitals, child care centers or approved non-profit social service agencies. No resident will perform community service with any political affiliation or activities.

The PHA can administer its own community service program, form cooperative relationship with other entities in order to make opportunities available for residents, or contract the entire community service program to a third party. The PHA retains full authority and responsibility to assure contract compliance, should the program be contracted to a third party. Should a for-profit, third party be utilized, the PHA should ensure that the administration that oversees the program does not have a financial interest in the entity, where community service participants are assigned.

The PHA will, to the extent possible, attempt to ensure that the conditions under which the work is to be performed are not otherwise hazardous, that the work is not labor that would be performed by the PHA's employees responsible for essential maintenance and property service, or that the work is otherwise unacceptable.

Should the PHA have a self-sufficiency program, the self-sufficiency program activities may, if acceptable, be substituted for the community service requirements.

Monroe Housing Authority Definition of “Substantial Deviation” and “Significant Amendment or Modification”

The Monroe Housing Authority, to meet the requirement of Final Rule 903.7(r) and PIH 99-51, pertaining to “Substantial Deviation” and “Significant Amendment or Modification,” offers the following:

- A. A substantial deviation from its Five-Year Plan; and a significant amendment or modification to its Five-Year Plan and Annual Plan.
- B. Changes to rent or admissions policies or organization of the waiting list.
- C. Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.
- D. Additions of new activities not included in the current PHDEP Plan.
- E. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five-Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements offered by HUD.
