EXECUTIVE SUMMARY

The STATESVILLE Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the STATESVILLE Housing Authority.

The mission of the STATESVILLE Housing Authority is to provide affordable, quality housing for the eligible lower income person(s) and to improve their quality of life.

We have also adopted the following goals and objectives for the next five years.

Goal One: Manage the STATESVILLE Housing Authority's existing public housing program in an efficient and effective manner thereby continuing to qualify as a high performer.

Objectives:

1. HUD shall recognize the STATESVILLE Housing Authority as a high performer through December 31, 2004.
2. The STATESVILLE Housing Authority shall make our public housing units more marketable to the community as evidenced by an increase in our waiting list to one that requires at least a six-month wait for housing by December 31, 2004.
3. The STATESVILLE Housing Authority shall promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the affordable housing industry.

Goal Two: Provide a safe and secure environment in the STATESVILLE Housing Authority's public housing developments.

Objectives:

1. The STATESVILLE Housing Authority shall reduce crime in its developments so that the crime rate is less than their surrounding neighborhood by December 31, 2004.
2. The STATESVILLE Housing Authority shall refine the memorandum of understanding between the jurisdiction's police force and this agency.

The purpose of this is to better define the "edge problem" of crime that occurs near our developments and develop strategies for identifying and reducing this problem.

3. The STATESVILLE Housing Authority shall reduce its evictions due to violations of criminal laws by 5% by December 31, 2004, through aggressive screening procedures. Criminal activity is projected to rise as a result of welfare reform.

Goal Three: Expand the range and quality of housing choices available to participants in the STATESVILLE Housing Authority's tenant-based assistance program.

Objectives:

1. The STATESVILLE Housing Authority shall establish a program to help people use its tenant-based program to become homeowners by December 31, 2004.
2. The STATESVILLE Housing Authority shall achieve and sustain a utilization rate of 90% by December 31, 2004, in its tenant-based program.
3. The STATESVILLE Housing Authority shall attract 25 new landlords who want to participate in the program by December 31, 2004.

Goal Four: To enroll 200 Family Self-Sufficiency participants and graduate 70% through the FSS program.

Objectives:

1. The STATESVILLE Housing Authority shall establish a program for a formal Annual Graduation Ceremony conducted by The Board where the graduate will be awarded a Certificate of Completion and recognition worthy of this major accomplishment.
2. The STATESVILLE Housing Authority shall implement Partnerships with the Department of Social Services, Iredell County Health Department, N.C. Agriculture Extension Service, Job Service. Mitchell Community College, I-Care, and the Iredell Counseling Center to better provide needed services to Family Self-Sufficiency participants by December 31, 2004.
3. The STATESVILLE Housing Authority shall monitor the FSS participants to see that 90% of them achieve their goals in a timely manner as prescribed by their contract.
4. The STATESVILLE Housing Authority shall strive to have 50 % of the FSS graduates move on to Homeownership upon graduation.

Goal Five: To upgrade 25% of existing public housing units to market standards by December 31, 2004.

Objectives:

1. The STATESVILLE Housing Authority shall determine market standards by December 31, 1999.
2. The STATESVILLE Housing Authority shall convert all public housing efficiency units to one bedroom in order to increase marketability of our public housing units by December 31, 2004.
3. The STATESVILLE Housing Authority shall add central heat and air conditioning to designated units of our public housing stock by December 31, 2004.
4. The STATESVILLE Housing Authority shall achieve curb appeal for our developments by improving our landscaping, keeping our grass and bushes cut, making the property litter free, and painting (as needed) our buildings by December 31, 2001.

Goal Six: Assist our community with increasing the availability of affordable, suitable housing for families in the low and very-low income ranges; cited as a need in our Consolidated Plan.

Objectives:

1. The STATESVILLE Housing Authority shall apply for our first Tax credit allocation by December 31, 2001.
2. The STATESVILLE Housing Authority shall locate at least two experienced partners, non-profit or for profit, locally or nationally based. These partners will work, with us on the acquisition and for development of additional housing opportunities for this target group.

4. The STATESVILLE Housing Authority shall construct 40 affordable rental units by December 31, 2004.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- To provide safe, secure, and affordable housing for the lower income citizens of Iredell County.

PROGRAM PLAN EVALUATION THRESHOLD CRITERIA FOR PHDEP

GOAL AND EVALUATION:

A key component to the success of any program, is the ability of all partnerships involved to objectively and efficiently evaluate their viability and functionality in meeting the needs of the residents and the community. This is an ongoing process as continued evaluation and reevaluation is a perpetual process. If our plan is to be successful we must continually strive to seek out new strategies and innovations to ensure long term goals being accomplished and setting new goals to strive for.

Our Goals Include:

- Address needs and concerns of residents in an expedient manner
- Encourage and facilitate partnerships within the community
- Ensure the integration of our communities with the community at large
- Ensure that community youth uses down time in a positive manner
- Effect as many lives with improving the quality both physically and mentally

Outcome indicators will include, but not be limited to:

- Decrease in drug crime rates
- Increase in trust and working rapport between local law enforcement and residents
- An increase of human services networking for individuals residing in our public housing communities
- A decrease in the number of school drop outs

- Increase in resident participating in programs/workshops/ and other services provided through SHA and Drug Elimination Grant

The evaluation process, in an effort to ensure positive outcomes for our residents, will occur through a variety of mechanisms. These will include formal resident surveys, obtaining staff input, and report generated by our contracted partners.

All partners will gather and submit on a monthly basis statistical data for there respective programs. Each partner has submitted in TAB 9 the basis that will be used to track and report the progress.
