C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required

- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing

3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.7 9 (c)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit:
- Other: (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the Rowan County Housing Authority will make a preliminary determination of eligibility. The Rowan County Housing Authority will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Rowan County Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Rowan County Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting

list. The Rowan County Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

8.3 Suitability

7.

8. A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Rowan County Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Rowan County Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

7. B. The Rowan County Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

- 1. 1. History of meeting financial obligations, especially rent;
- 2. 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
- 1. 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
- 1. 3. History of disturbing neighbors or destruction of property;

1. 4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
1. 5. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Rowan County Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Rowan County Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. 1. A credit check of the head, spouse and co-head;
2. 2. A rental history check of all adult family members;
3. 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Rowan County Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
4. 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. 5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

- c. Yes No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

- e. Yes No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. 1. C. To facilitate a relocation when required for modernization or other management purposes.

16.2 Categories of Transfers

1. Category A: Emergency transfers. These transfers are necessary when conditions pose

an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Rowan County Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Rowan County Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 Incentive transfers

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

(3) Search Time

a. Yes No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below:

The following is an extract from our adopted Section 8 Administrative Plan.

6.4 Term of the Voucher

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, the Housing Authority will request HUD to approve an additional extension.

Upon submittal of a completed request for approval of tenancy form, the Rowan County Housing Authority will suspend the term of the voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

 - (1) Provide improved living conditions for very low and low-income families while maintaining their rent payments at an affordable level.
 - (2) To operate a socially and financially sound public housing agency that is violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents and their families.
 - (3) To avoid concentrations of economically and socially deprived families in any of our public housing developments.
 - (4) Deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.

 - (3) To promote fair housing and the opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.
 - (4) To promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.

- (5) To attain and maintain a high level of standards and professionalism in our day to day management of all program components.
- (6) To administer an efficient, high-performing agency through continuous improvement of the Housing Authority support systems and commitment to our employees and their development.

Our agency is part of the entire effort undertaken by the Rowan County and the State of North Carolina to address our jurisdiction's affordable housing needs. While we cannot ourselves meet the entire need identified in the Consolidated Plan, in accordance with our goals and objectives included in this Plan, we will try to address some of the identified need by using appropriate resources to maintain and preserve our existing stock. When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to enhance the affordable housing available in our community. We intend to continue working with our local partners to try and meet these identified needs.

This year we expect to continue to utilize the funds we receive for our existing programs to house people. We will be focusing on management improvements, modernization and increasing the number of owners willing to participate in our Section 8 program. Priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may change over the coming year if there are program changes beyond our control.

Other: (list below)

- 3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The North Carolina Consolidated Plan is supportive and is consistent with the Rowan County Housing Authority 5-year plan and Annual Plan.

The North Carolina Consolidated Plan supports the PHA Plan with its three basic goals which are to provide decent housing, a suitable living environment, and to expand economic opportunity.

The Consolidated Plan Housing needs identifies three dimensions that need to be addressed: physical quality, overcrowding and affordability. Special populations housing needs include the elderly/frail elderly, disabled and families and individuals that need special types of supportive housing.

The Consolidated Plan identifies lead poisoning as one of the primary environmental health hazards facing children.

The indications of housing need stress the need for communities to provide a suitable living environment, including physical facilities and services for residents.

The State's priority community development needs are:

- Strong neighborhoods
- Jobs and business opportunities
- Access to infrastructure
- Community services and facilities

In Housing, the State strategies place the highest priorities to assist:

- Low income renters and existing homeowners
- Homeless families and individuals
- Persons with special needs

While the housing development strategies outlined in the Consolidated Plan do not specifically address or include local public housing agencies, the priorities and strategies are consistent with and support the Rowan County Housing Authority's 5-year and annual plans to accomplish similar objectives for the very low and low income persons and families in its jurisdiction. The State of North Carolina proposes to utilize available HUD funding as well as numerous sources to accomplish the strategies outlined in the Consolidated Plan
