EXECUTIVE SUMMARY

The Northwestern Regional Housing Authority (NRHA) is a public, non-profit corporation providing affordable housing development and services in seven counties of northwestern North Carolina. Its Board of Trustees is made up of local community leaders appointed to five-year terms by the County Commissioners of Alleghany, Ashe, Avery, Mitchell, Watauga, Wilkes and Yancey Counties. NRHA enjoys a strong financial condition and a sustained record of high and successful performance from its prime contractor, the U. S. Department of Housing and Urban Development.

Over the past five years, NRHA has sponsored six (6) new affordable housing developments in addition to its consistent operation of core housing programs. These new developments representing homeownership/rental and family/elderly are of the highest quality and are funded on a mixed finance model. Private investments constitute the primary funding and supportive service programming enhances the local effectiveness of this new approach.

NRHA has, since its inception in 1979, employed a five-year planning and implementation strategy involving residents, the Board and local community officials. The attached annual plan codifies the findings, recommendations, and directive decisions of the latest five-year planning process completed in April 2000 as it relates to anticipated corporate performance for FYE 6/30/2001.
