ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Vance County Housing Authority was founded in 1979 to provide decent, safe, sanitary and affordable housing to low income families in the area of Vance County, North Carolina. The VCHA business office is located at 224 Lincoln Street, Henderson, NC 27536. Today VCHA is not only concerned with providing decent housing, we are working to promote self-sufficiency and asset development of our families. We are working with the local community and local government to improve the quality of life and economic stability for our families and to ensure equal opportunity in housing for all Americans. The goals and objectives of the Housing Authority are further outlined in our Mission Statement and the Board Adopted Admission and Continued Occupancy Policy. Many families have not been able to afford decent, safe,

sanitary and affordable housing for many years. Vance County Housing Authority has been working with the Department of Housing and Urban Development, local government, local agencies, and the North Carolina Department of Crime Control and Public Safety, and low income families, to assist them in obtaining decent housing. VCHA will strive to reach our goals and objective each year and will make plans annually to reach them. We must develop a strong marketing strategy aimed at applicants whose race, ethnicity, and income is not represented in our development. The PHA has been operating under rental income collected from residents, federal subsidies, and grants to fund our programs. We are a small PHA of only seventy (75) units. The limited income and the new regulations requiring 40% of admissions annually to be “extremely low income families” will affect us tremendously. We have taken measures such as adopting preferences for working families and skipping over families on the waiting list to somewhat counteract our loss. We are increasing our marketing strategies to attract more working families and advertising the benefit of living in the Lincoln Height Apartment complex. The availability of funding is essential for VCHA to maintain it current level of operations and provision of services

VCHA strives to maintain all units in a manner that will appear attractive to applicants and interested people. We work with the local law enforcement in an effort to keep our development free from drugs. We encourage our residents to work with us, not only in our drug program (C.L.E.A.N.), but also in all of our programs. We have an Executive Director, Secretary, and two (2) Maintenance Men. Since our staff is limited, we solicit the residents or other volunteer agencies to help us in our resident programs. Despite our limitations, by the year 2004, we hope to have accomplished all of our goals and objectives outlined in the five-year plan. We look forward to providing more and better programs and services for our residents and our community.
