ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

With the assistance of the Board of Commissioners, our residents and the administrative staff of the Housing Authority, we have assembled the Housing Authority of Cavalier County's Annual Plan. The Plan addresses all the statutory components as required by the Department of Housing and Urban Development (HUD). In keeping with its mission, the Housing Authority will work towards fully utilizing all funds available to the Authority so as to maximize the results in an environment of limited funding. This plan was assembled using the most current information available at the time and does not reflect any changes of availability of funding by HUD.

This plan required that we take a detailed look at the Housing Authority and determine where we are, where we want to be and how we are going to get there. The results of this Authority-wide analysis were not surprising, as we have addressed many of the components in the past.

Two conclusions can be drawn from the results of the analysis. First, there is an immediate need for housing assistance in Cavalier County

and secondly, developing and maintaining a networking system with County agencies to assist participants in identifying services available to meet their needs and provide crime-free and safe, affordable housing.

The Housing Authority of Cavalier County will continue to do what we do best: provide affordable housing to low-income residents through provision of financial assistance programs, supportive services, and effective management.

Lastly, that the Cavalier County Housing Authority's Annual Plan and Five Year Plan is consistent with the North Dakota State Consolidated Plan.

There is currently 45 participants on the Section 8 Rental Assistance Program in Cavalier County.

Cavalier County will continue to strive to meet the housing needs by use of local preferences. The local preference is:

Elderly, disabled applicants are first priority.

Families are second priority.

Singles are third priority.
