Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have adopted four local preferences – for applicants who are elderly or disabled, applicants who are displaced or homeless, applicants who are near-elderly, and all other applicants.
- We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. Our screening practices will meet all fair housing requirements.
- We have implemented a deconcentration policy.
- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$25.00.
- We have established flat rents for our development.
- In an attempt to encourage work and advancement in the workplace, we are not requiring interim recertifications if a resident has an increase in income of up to \$1200.00 per year. The increase will be reported at the next regular recertification.

In summary, we are on course to improve the condition of affordable housing in Wilber.
