RESIDENT COMMENTS

The Minden Housing Authority has engaged in an extensive process of seeking resident and public comments on our Agency Plan. In the course of compiling the Plan we engaged in the following process.

Resident Advisory Board: East View Court is a small 28 unit single story elderly public housing agency in a town of 2,749 population located in central Nebraska. To gain a wide representation of resident input, all residents were invited to attend a meeting and to serve as the Resident Advisory Board. The meeting was held on October 5, 1999 at 10:00 a.m. in the Community Room at East View Court with 12 tenants present.

The Executive Director using an overhead projector reviewed the changes that are forthcoming from QWHRA; such as new lease language, grievance procedures, community service requirements, flat rents, proposed Capitol Improvements, the Agency Plan and Resident input.

After the presentation, the residents were asked for comments, and what was needed at East View Court. Tenants would like the following items.

Comments: Were concerned about the parking and snow removal on the East Side.

Response: The access road to the east side of the development is on private property and is owned by someone other than the Housing Authority. The housing authority residents use this road to enter and then park at East View Courts. The public also uses this road. However, it is not maintained by the city nor is the snow removed which is of concern to the residents. The Housing Authority had the east property line surveyed to determine the exact location of the property line. The housing authority's property goes just to the east side of the power line poles. MHA would like to improve the parking at East View Court but this is difficult, if not impossible, because the access road is not public property. Parking is an issue as there is no parking on the south side, and limited parking on the north side. We will seek input from the city regarding resolution of this problem.

Comments: Replacement of the Ranges.

Response: This will be addressed, as funding becomes available.

Comments: Additional Exterior Lighting needed.

Response: This will be addressed, as funding becomes available.

Comments: Fix the sidewalks and apartment patios.

Response: Removing and replacing the sidewalks and patios is planned for work in the spring of 2000.

Comments; Carpeting

Response: Will be addressed, as funding is available.

Comments: Windows

Response: Window and Siding replacement is planned for the spring of 2000.

Comments: Thermostats need adjustment.

Response: Maintenance staff will adjust thermostats.
