**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

The Haddon Township Housing Authority was founded to provide decent, safe and sanitary housing to lower income seniors using funds from the U.S. Department of Housing and Urban Development and other assistance made available for such purposes.

Overall, the Housing Authority's image can be characterized as to promote an improved quality of life for low-income senior citizens in Haddon Township. The Housing Authority further works to ensure equal opportunity in housing for all Americans.

**Overview**

The Haddon Township Housing Authority is small comprised of one community totaling one hundred apartments designated for senior citizens. Since its inception, the Authority has worked with the citizens of the community to provide affordable, decent, safe and sanitary housing for low-income senior citizens.

The condition of the industry today is such that new rules, guidelines and directives have been issued which mandate changes in the operation of the Housing Authority. HTHA is also faced with a decreasing availability of funding from HUD in the face of needing to provide more services for low-income Americans.

Housing Authorities in NJ are unique in that they are the only housing authorities in the country required to have their Executive Director and members of the Board of Commissioners certified by the State. The State Department of Community Affairs is responsible for administering a course of study for Executive Directors and Commissioners. Executive Directors have two years and Commissioners have eighteen months to complete their course of study. In addition to the required courses, the Executive Director must also have five years experience and hold a four-year college degree.

In 1995 HTHA was experiencing management difficulties due to the performance of the Executive Director. The Board of Commissioners decided that the Authority would be better served by hiring a professional management firm to run the Housing Authority. Bids were solicited for the management duties and a contract was awarded to Interstate Realty

Management Company. The Housing Authority has given yearly extensions to Interstate since 1995.

## **Objectives**

The Haddon Township Housing Authority strives to increase the availability of decent, safe and affordable housing in the region, to ensure equal opportunity in housing for all Americans, to promote self-sufficiency and to improve the quality of life for our residents. The Housing Authority's goals and objectives are further described in the Occupancy and Rental Policy that has been adopted by the Board of Commissioners.

## **Capital Requirements**

According to the opportunities and requirements for the Authority described in this annual plan, and based on sound business assumptions, our annual capital requirements are as listed in our budgets submitted to HUD for funding. In the face of shrinking revenues from HUD, the Authority has set a goal to become as fiscally independent as possible. We plan to intensify and accelerate our marketing activities, become more entrepreneurial and improve our customer services.

## **Management Team**

Our Management team consists of the following:

- 7 member Board of Directors
- Managing Agent
- Public Housing Manager
- Social Service Coordinator
- Superintendent
- 2 part-time maintenance technicians

## **Customer Profile**

The Haddon Township Housing Authority's primary market is a low-income senior citizen of Haddon Township. The most typical customer for our housing is someone in the lower income category that needs assistance to provide decent housing for themselves and their family. Many of our residents have aged in place. A recent survey found the average age of residents to be 78 years young.

### **Affirmative Marketing Plan**

Responses from citizens within the community, officials from the municipality, county and state, and our residents indicate that our housing has an excellent reputation. We are fulfilling the basic needs of our residents and providing additional activities to keep them active and involved.

The Haddon Township Housing Authority's marketing strategy is to enhance, promote and support the fact that our housing can be used as a safety net for senior citizens within

the Township who are being forced out of their homes by increasing costs against their fixed income.

The Haddon Township Housing Authority’s affirmative marketing strategy incorporates plans to outreach to all residents of the Township and surrounding areas to ensure all feel welcome to apply. To accomplish this the Housing Authority will use various avenues of advertising depending on the goals of the advertisement.

### **Advertising and Promotion**

The Haddon Township Housing Authority’s overall advertising and promotional objectives are to position it as a leader in the market of affordable rental housing. We will develop an advertising campaign built around the availability of decent, safe and affordable housing for senior citizens, equal opportunity in housing for all, and improvement of the quality of life for our residents.

### **Public Relations**

Public Housing has been very much maligned by the media over the past several years. We as an industry have not done a good job of publicizing the successes in our industry. The Haddon Township Housing Authority has received much “good press” in the past few years and we will continue to publicize our success in as many media outlets as possible.

### **Conclusion**

The Haddon Township Housing Authority enjoys an established track record of excellence with our residents and the community. Their expressions of satisfaction and encouragement are numerous, and we intend to continue our advances and growth in the marketplace with more unique and effective services. The only roadblock to our success is reduced funding of housing programs. However, we will make every effort to garner services from other public agencies and identify other sources of income to benefit the Authority.
