**1. Statement of Housing Needs**

[24 CFR Part 903.7 9 (a)]

**A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by

Clementon Housing Authority

completing the following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

The data listed in the Table above was taken from the CHAS dataset for NJ and the Camden County Consolidated Plan. It covers the entire Camden County. There was no data for Clementon. However, Clementon contains only 2% (2,420 units) of all housing units in the County. This includes owner occupied units. The Clementon Housing Authority has a large Section 8 waiting list, but few, if any units are available for the program. Therefore, the CHA can not apply for additional Section 8 vouchers.

What sources of information did the PHA use to conduct this analysis? (Check all that apply; all materials must be made available for public inspection.)

- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.

- Other: (list below)

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

## Clementon Housing Authority

The #4 priority in the Camden County Consolidated Plan is providing rental assistance to low income residents. The Clementon Housing Authority has 49 Section 8 vouchers. There are not enough rental properties in Clementon to support any more vouchers. But the CHA supports and carries forward this initiative of the Consolidated Plan.

The #1 priority Camden County Consolidated Plan for elderly is to provide support activities and housing for the elderly. The CHA provides 70 public housing units for the elderly/disabled, and work with community agencies to provide supportive services to them.

### **D. Other Information Required by HUD**

#### **Criterion for identifying a “substantial deviation” from the PHA Plan**

The Clementon Housing Authority will consider the following to be changes in its *Agency Plan* necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted.

1. Any alteration of the Authority’s *Mission Statement*;
2. Any change or amendment to a stated Strategic Goal;
3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met;
4. Any introduction of a new Strategic Goal or a new Strategic Objective;
5. Any alteration in the Capital Fund Program Annual Plan that affects an expenditure greater than twenty percent (20%) of the CFP Annual Budget for that year.

In setting the above criteria, the Clementon Housing Authority intends by “Strategic Goal” and “Strategic Objective” specifically those items under those headings in its *5-Year Plan*.

Because the Annual Plan already requires annual review by the Resident Advisory Board and by Public Hearing, the Authority believes this annual process sufficient to meet the spirit of the *Quality Housing and Work Responsibility Act of 1998*. It expects that changes to the Annual Plan will be primarily administrative in nature. It believes, however, as shown in item #5 above, that significant changes in its planned modernization expenditures should be subject to a resident/public process.

The Clementon Housing Authority has also reviewed the requirements set out in HUD Notice PIH 99-51. It here incorporates the several additional criteria established by HUD for “substantial deviation” and “significant amendment or modification” to its Agency Plan. The CHA will also consider the following events to require a public process before amending such changes to its Agency Plan.

- changes to rent or admissions policies or organization of the waiting list;

## Clementon Housing Authority

- ☐ additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Plan) or change in use of replacement reserve funds under the Capital Fund;
- ☐ additions of new activities not included in the current PHDEP Plan and
- ☐ any change with regard to demolition or disposition , designation, homeownership programs or conversion activities.

The Clementon Housing Authority acknowledges that an exception will be made by HUD to compliance with the above criteria for any of the above changes that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

Use this section to provide any additional information requested by HUD.

## **NJ073a01                      Policy for the Deconcentration of Poverty**

Where an inequity has been discovered in the distribution of impoverished on its waiting list, the Clementon Housing Authority will take steps to remove that concentration of poverty by bringing higher income families into its lower income developments and lower income families into its higher income developments.

Among the strategies this authority will consider in attempting to remedy the inequity are the following:

- 1). It may skip certain income families on its waiting list to reach other families with a lower or higher income, as may be required to achieve better income distribution balance in its developments. This authority will apply such skipping uniformly and fairly.
- 2). It may make concerted efforts to aid lower-income families to increase their income through offering incentives. These incentives may include but are not required to be or limited to the following:
  - a) Providing self sufficiency activities to improve resident employability;
  - b) Providing permissive deductions from annual income and other permissive deductions to public housing resident as allowed by law. If offered, these options will be spelled out in detail as an amendment to this policy;
  - c) Providing individual savings accounts to families who select income-based rents;
  - d) Establishing a rent structure that encourages deconcentration of poverty;
  - e) Providing certain admissions preferences, such as those for working families;
  - f) Providing additional applicant consultation and information;
  - g) And providing additional supportive services or amenities.

In pursuing this policy of deconcentration, where a family receiving TANF assistance is concerned, this authority will make every reasonable recourse to coordinate its efforts to provide incentives to families that are consistent with programs administered by the office having TANF responsibilities in its jurisdiction.

This PHA will pursue this policy of deconcentration of poverty in a way that affirmatively furthers fair housing, and that ensures for both our applicants and our residents an equitable treatment devoid of discrimination.

NOTE: the Clementon Housing Authority has only one family housing development. It therefore lacks the means to implement efforts to deconcentrate poverty among its elderly developments or pursue a practice of income mixing across its developments.

NJ073d01.      RESIDENT ADVISORY BOARD MINUTES  
MARCH 3, 2000

*The Resident Advisory Board meeting was held on March 3, 2000 at 10:00 AM in the Community Room at Wooster Towers.*

Present: Sheila Wooster, Executive Director  
Barbara Murray, Secretary  
Harry Deyarmond- Wooster Towers Resident  
Vi Frauenhoffer- Wooster Towers Resident  
Delores Brannigan – Wooster Towers Resident  
Commissioner

Absent: Anna El – Section 8 Client

Each board member was given a copy of the Annual and Five Year Plans and the Admissions and Occupancy Policy. Notification that copies were available for review prior to the meeting had been sent. The members were advised that they could question or comment on any items in the plans or policy. There were no comments.

Mrs. Wooster pointed out the Mod work listed and a discussion followed.

COMMENT

**Re: Elevator Work**

1. *Concern was expressed that breaking up the elevator work over several years could result in work being done by more than one elevator company.*

RESPONSE

Mrs. Wooster will consult with the Architect and Engineer.

SUGGESTION BY MEMBER

Put bid out as one project to be completed over a 4 year period.

COMMENT

**Re: Parking Lot Repair**

1. *Concern was expressed as to whether or not this was really necessary.*

March 3, 2000

Clementon Housing Authority

Page 2

RESPONSE

Mrs. Wooster advised that yes this was necessary as we were cited by REAC.

COMMENT

**Re: Security**

1. Member witnessed school children playing with vehicle antennas in parking lot and asked whether it was possible to fence the area.

RESPONSE

After a discussion by the board it was decided that a fence is not really the appearance that the Housing Authority wishes to give, it could actually draw more attention. A member also made a comment that the police had been there at the time and all agreed that now that the police were aware they will probably keep watch, especially during school dismissal time.

Mrs. Wooster said that if the problem continues, she will speak directly to police.

2. Concern was expressed regarding “non-residents” approaching the building and using the benches, etc. while waiting for the public bus.

RESPONSE

*A request to have the bus stop moved had been pursued before to no avail. A committee member asked if a petition would help. Mrs. Wooster will again attempt to have the stop moved and if unsuccessful, will try a petition.*

The meeting then turned to everyday maintenance concerns (tub handle hard to turn off, replacement of clothesline needed) that were forwarded to maintenance.

The meeting lasted about one hour and no requests were made for a follow-up meeting.

After the meeting Harry Deyarmond went to the office to review the Admissions and Occupancy policy looking for the Authority's rules on tenant behavior. He was given a copy of the "house rules" portion of the Admissions and Occupancy policy, with Sections L & S highlighted, which pertained to his concerns.

Follow-Up to Resident Advisory Concerns (3-3-00)

**RE: ELEVATOR UPGRADE**

Mrs. Wooster contacted Mr. Joseph Badame from Habitect Architects who prepared the Capital Improvement Needs. He advised Mrs. Wooster that with competitive bidding he cannot guarantee the same company would get the job each year, but the Housing Authority can require what manufacturer is used so the parts, etc. would be consistent.

There are three (3) problems with hiring one contractor for a three (3) to four (4) year span:

- 1) Federal law says Authority cannot contract unless funds are available.
- 2) He doubted a contractor would commit without having future expense figures.
- 3) The wage rates the contractors are required to use would not be available for future years.

**RE: BUS STOP**

*On April 3, 2000 Mrs. Wooster spoke to New Jersey Transit and the Boro Clerk of Clementon.*

New Jersey Transit advised Mrs. Wooster that in order to move a bus stop they must receive a written request from the Mayor and Council requesting the move; then New Jersey Transit will come out and move it.

Mrs. Wooster spoke to Pat Porter, Boro Clerk, and she said that she would take care of it.

We are requesting that the bus stop be moved one block down from its' current location.

RE: Bus Stop

Dear Sirs:

I am writing to request a Dept Of Transportation Bus Stop to be moved. We have a bus stop located in front of 22 Gibbsboro Road, Clementon, NJ, which is Wooster Towers, our Senior Citizens housing. People waiting for the bus have been using the facilities of the building, and peering into windows, which is disturbing the Senior=s.

I would like to request that the bus stop be moved into the next block, a front of Clark=s Discount Liquor's. This location would still be convenient to the residents of the Senior Citizens building, but in an area that would not be affected by people waiting for the bus.

Thank you for your anticipated help in this matter.

Very Truly Yours
