Since it's inception, the Authority has worked with citizens of the community to provide affordable, decent, safe and sanitary housing. The condition of the industry today is such that new rules, guidelines and directives have been issued which mandate changes in the operation of this housing authority.

However, the Collingswood Housing Authority strives to assist those who are elderly and disabled with a quality of life and economic stability. The goals and objectives are further described in the Admission, Occupancy and Rental Policy that has been adopted by the Board of Commissioners.

Public Relations

During the next year, the Collingswood Housing Authority will focus on the following publicity strategies:
