Use this section to provide any additional information requested by HUD.

- 1.) **As researched by Middletown Housing Authority solicitor James Moody, “Under the Quality Housing and Work Responsibility Act, a resident living in public housing is to be selected as a commissioner of the Housing Authority. The problem has been in trying to implement the procedure by which this appointment would be made. In that regard, I have had an opportunity to speak with other attorneys that have been dealing with issues pertaining to these new HUD regulations and the problems that they are experiencing in trying to determine a manner in which these regulations would be implemented. The regulations refer to an election procedure by which a resident will be selected, the state statutes clearly state that the appointments are to be made by the Township Committee, the Mayor and Department of Community Affairs.**
- Accordingly, while the Housing Authority can establish the procedures by which an election of a Tenant Director would be held, they cannot appoint a commissioner to the Board since that clearly falls within the province of either the Township or the State. Therefore, until such time as the legislature tries to address this issue, no Tenant Director can be appointed to serve on the Board.**
