PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) Acquire funds to hire an Administrative Assistant and a Secretary to help the Executive Director keep up with the tremendous work load. The two forty hour positions will increase services to the assistance recipients, increase customer satisfaction and improve management functions.)

HUD Strategic Goal: Improve community quality of life and economic vitality

PHA Goal: Provide an improved living environment

Objectives:

- Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments

ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan. (The Santa Clara Housing Authority has identified the housing needs of the families in our jurisdiction and on the waiting list. All supporting documents that are applicable to the PHA's activities are included as attachments to this plan. The strategies that were chosen in this plan were influenced by the staffing constraints and funding constraints. Because this PHA administers 32 units it is funded for one twenty hour per week Executive Director position and one twenty hour per week maintenance position. This limits the services that the PHA can offer and the program activities conducted by the PHA. A statement of the financial resources available to the PHA is included in this plan. A new Admissions and Occupancy Policy, Grievance Policy, Dwelling Lease, Criminal Trespass Policy were adopted October 11, 2000. The Capital Fund Program Annual Statement from the table Library is provided in this plan. The PHA has entered into a cooperation agreement with the TANF agency to share information and or target supportive services on 6-5-2000 and is attached to this plan. The PHA has entered into an agreement with a Grant County Sheriffs Deputy to occupy a unit of the PHA for a reduced rent for the provision of above-baseline law enforcement services. The State of New Mexico has certified that this plan is consistent with the Consolidated Plan of the State of New Mexico.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy. (This PHA consists of 32 units in Santa Clara, N.M. Because of the number of units administered by the PHA receives an insufficient budget from HUD to operate effectively and efficiently. The Board of Commissioners and the Executive Director recognize that the families in our jurisdiction and on the waiting list have the same needs as those of the tenants and applicants of large housing Authorities . The large PHA's have resources and staff available to them to utilize the following strategies to meet those needs. This PHA can only choose the strategies that can be utilized within our current resources to address the needs of families in the jurisdiction and on the waiting list. The strategies that were selected for this PHA were influenced by funding constraints and staffing constraints.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:
