**Other PHA Goals and Objectives: (list below)**

- The City's collaboration with Hudson River Housing (HRH), Dutchess County Department of Planning and Community Development, a private developer, and a local bank to develop and implement the **Garden Street Revitalization Project**. This project will result in twenty-five affordable rental units and seven two family first-time homeowner opportunities.
- Revision of **Housing Rehabilitation Program** guidelines funded through the City's CDBG and HOME Programs. These revisions included 0% deferred loans for owner-occupants and low 3% interest loans for investor-owners as an incentive to improve their properties. In 1998 the City's programs played a role in the rehabilitation of fifty residential units.
- The City's **Section 8 Housing Assistance Program** allows us to offer 515 subsidies to extremely low and low income families. Rental units occupied by our Section 8 participants are located throughout the City.
- Annual site visits to all Section 8 rental units are required at the time of recertification. The City of Poughkeepsie goes further in assuring **Housing Quality Standards** are met by following up immediately on any report of violations and by conducting random spot inspections where problems are suspected.
- Promoting the **Family Self-Sufficiency Program** to all Section 8 Housing Assistance Program applicants. This program offers an opportunity for education, job training, and public services with the primary goal of financial and personal independence.
- An **Economic Development Loan Fund** (EDLF) which offers low interest loans to new and expanding businesses in the City that will create jobs for low-income City residents. The City has the services of the Small Business Development Center and SCORE who assist potential new business owners with the preparation of a business plan. The EDLF Program has assisted twenty-one businesses utilizing over \$700,000 in CDBG funding. Brochures outlining EDLF guidelines are available to the public.
- **Landlord Training Workshops** for City property owners are held twice a year. These workshops help our property owners to better understand their responsibilities to

their tenants to provide safe and secure housing. These sessions are also an ideal opportunity for the City to explain our Section 8 Program and recruit new landlords. This assists us in our efforts to further promote Section 8 rental units in higher income neighborhoods.

- The City of Poughkeepsie's **Property Development** Office actively markets City-owned properties. These are parcels the City has acquired due to non-payment of taxes, many of which are in serious disrepair. The City works with potential buyers who can establish their ability to renovate the property within one year, placing the property back on the tax rolls while adding to the City's housing stock.

**Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

The City of Poughkeepsie has made great strides toward its mission of increasing the availability of affordable housing to low-income families. As identified in our Annual Housing Agency Plan, we have every intention of continuing with the programs that have brought about this success, and look for new, innovative ways to achieve greater results.

Several programs, which the City has implemented over the last few years, and will continue to offer, include:

- HOME First-time Homebuyer Program
- HOME Rehabilitation Program
- Community Development Rehabilitation Assistance Program (CD RAP)

- Economic Development Loan Fund Program (EDLF)

The City has also taken an active role in collaborative projects that will act as demonstration projects which can be replicated in neighborhoods throughout the City. These projects include:

- Garden Street Revitalization Project - renovation of ten City-owned buildings in partnership with Dutchess County, a private developer, Hudson River Housing, and local lending institutions resulting in twenty-five affordable rental units and seven two-family first time homebuyer opportunities.
- The 400 Block Main Street Demolition Project - demolition and clearance of City-owned buildings to be redeveloped as affordable housing.
- Ten-House Initiative - agreement between the City and Hudson River Housing to turn over City-owned residential properties for renovation by the non-profit and sale as first-time homebuyer opportunities.
- Landlord Training Workshops - provides information for the City's property owners on safety, building and zoning and legal issues, and explains our Section 8 Program to potential new landlords.

All of the above initiatives have had a positive impact on the City's affordable housing stock. We intend to continue to offer assistance to property owners to improve the quality of their units, increasing the affordable housing opportunities for the City's low income families. The City will continue to take part in collaborative projects and look for innovative methods that will add to our accomplishments.

### **C. Strategy for Addressing Needs**

#### **1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

\_\_\_\_\_

\_\_\_\_\_ Employ effective maintenance and management policies to minimize the number of public housing units off-line

\_\_\_\_\_ Reduce turnover time for vacated public housing units

\_\_\_\_\_ Reduce time to renovate public housing units

\_\_\_\_\_ Seek replacement of public housing units lost to the inventory through mixed finance development

\_\_\_\_\_ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources

  x   Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction

  x   Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required

  x   Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration

- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Continuous support for public housing improvements**

The City has allocated a portion of its annual Community Development Block Grant (CDBG) funding to provide support to the Poughkeepsie Housing Authority in the modernization and rehabilitation of state-funded public housing units. The allocation of CDBG funding has provided an additional resource to the PHA in its efforts to provide a suitable environment for its residents. Collaborative efforts between the City's Office of Social Development and the PHA have been successful in completing projects such as siting playgrounds at each of the State-funded complexes.

**Strategy 2: Increase the number of affordable housing units by:**

- 
- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

**Encourage and support programs providing outreach and assessment homeless families and individuals and those at-risk of becoming homeless**

The provision of support services to those currently homeless will assist them in becoming economically and socially self sufficient. Such support services include counseling, referral services, case management, financial counseling and educational instruction and are provided by five social service agencies funded, in part, by CDBG.

The City will continue to work with the Dutchess County Housing Consortium in their annual effort to secure funding through HUD Super NOFA program. The Consortium is made up of providers of all aspects of homeless services and housing and has been awarded funding several years running. The emphasis of the Consortium and this funding program is the provision of a continuum of care for homeless families and individuals, including special needs populations.

The City addresses the problems experienced by poverty level families through the network of support services offered by various private and municipal agencies. These agencies provide counseling, nutrition and health care programs, as well as skill building programs which lead to employment opportunities. The City will continue support these agencies and assist them to build their capacity so they can serve additional families.
