3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.7 9 (c)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following is an extract from our Admissions and Continued Occupancy Policy.

The application process will involve two phases. The first phase is the initial application or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the West Carthage Housing Authority will make a preliminary determination of eligibility. The West Carthage Housing Authority will notify the family in writing of the date and time of placement on the waiting list.. If the West Carthage Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The West Carthage Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The West Carthage Housing Authority will ensure that verification of all preferences,

eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history

8.3 Suitability

7.

8. A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The West Carthage Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, West Carthage Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

7. B. The West Carthage Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

- 1. 1. History of meeting financial obligations, especially rent;
- 2. 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;

 2. 2. A rental history check of all adult family members;
 3. 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the West Carthage Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
 4. 4. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

16.0 Unit Transfers

16.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

1. A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
 - 1.
- C. To facilitate a relocation when required for modernization or other management purposes.
 - 1.
- D. To facilitate relocation of families with inadequate housing accommodations.
 - 1.
- E. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 Categories of Transfers

1. Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such

situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain West Carthage Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the West Carthage Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 Incentive transfers

Transfer requests will be encouraged and approved for families who meet the following criteria

7. A. Have been a tenant for three years;

7. B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;

7. C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year which ever is less;

7. D. The family is current in the payment of all charges owed the West Carthage Housing Authority and has not paid late rent for at least one year;

7. E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;

7. F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff.

16.5 Processing Transfers

1. Transfers on the waiting list will be sorted by the above categories and within each category by date and time.
1. Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.
1. Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.
1. Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.
- 2.
3. The following is the policy for the rejection of an offer to transfer:
- 4.
5. A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- 6.
7. B. If the transfer is being made at the request of the West Carthage Housing Authority and the family rejects two offers without good cause, the West Carthage Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the West Carthage Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- 8.
- 9.
- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a

second such offer without good cause, the family's name will be removed from the transfer list.

(1) Capital Fund Program Annual Statement

Using parts I, II, and III of the Annual Statement for the Capital Fund Program (CFP), identify capital activities the PHA is proposing for the upcoming year to ensure long-term physical and social viability of its public housing developments. This statement can be completed by using the CFP Annual Statement tables provided in the table library at the end of the PHA Plan template **OR**, at the PHA’s option, by completing and attaching a properly updated HUD-52837.

Select one:

- The Capital Fund Program Annual Statement is provided as an attachment to the PHA Plan at Attachment (state name)

-or-

- The Capital Fund Program Annual Statement is provided below: (if selected, copy the CFP Annual Statement from the Table Library and insert here)

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The needs we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and community.

This Capital Fund Program Annual Statement is based on the best information that was available to the West Carthage Housing Authority at the time we prepared the Annual Statement. Unfortunately, we are not aware of the exact amount of Capital Funds that will be available for our use in the affected fiscal year. When the specific amount is known, we may need to make required revisions to this Statement.

We have prepared our Capital Fund Program Annual Statement based on 92% of the amount we received for Federal Fiscal Year 1999. For the Federal Fiscal Year ended September 30, 1999 we were allocated \$67,202. Ninety two percent equates to \$61,826.

Please note that we have not provided preliminary cost estimates for the work items we plan to accomplish during Fiscal Year beginning October 1, 2000. There has not been sufficient time to adequately prepare a detailed Annual Statement and meet the July 15, 2000 reporting deadline. For reporting purposes, we are allocating the first year Annual Statement funding to operations. We plan to establish a special replacement reserve account for our Capital Fund Program funds. In addition, we anticipate that during the course of the ensuing fiscal year we will be in a better position to know the amount of Capital Funds we can expect to be allocated over the next five years.

C. Statement of Consistency with the Consolidated Plan

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

1. Consolidated Plan jurisdiction: (provide name here) **State of New York**

The West Carthage Housing Authority is located in the Village of West Carthage, a non-entitlement community in Jefferson County. The jurisdiction of the Consolidated Plan encompasses the State of New York. The West Carthage Housing Authority Agency Plan housing needs assessment data is extracted from the New York State Consolidated Plan and The Comprehensive Housing Affordability Strategy (CHAS) Databook tables for Jefferson County.

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
 - The West Carthage Housing Authority will continue to maintain and renovate its public housing units.
 - The West Carthage Housing Authority will continue to provide accessible housing in the public housing program to persons with disabilities.
 - The West Carthage Housing Authority will continue to market its public housing program to make elderly families and individuals aware of the availability of decent, safe, sanitary and affordable housing in the Village of West Carthage.
 - The West Carthage Housing Authority will continue to apply its limited resources to the effective and efficient management and operation of public housing programs.
 - The West Carthage Housing Authority Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:
 - (1) Provide improved living conditions for very low and low-income elderly families and individuals while maintaining their rent payments at an affordable level.
 - (2) To operate a socially and financially sound public housing agency that is violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents.
 - (3) Deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.
 - (4) To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

Finally, we intend to address our community's housing needs to the maximum extent practical. While we wish we could meet all of the significant needs that exist in our jurisdiction, we lack

the resources to resolve all of our housing needs. As reflected in the New York State Consolidated Plan, the needs of the State's low and moderate-income households far exceed the resources available at all levels of government. The only practical thing we can do is to continue to apply for appropriate grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year.

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The New York State Consolidated Plan establishes three strategic objectives that are of equal importance and form the basis of New York State's strategy:

1. **Preserve and increase the supply of decent, safe and affordable housing available to all low and moderate income households, and help identify and develop available resources to assist in the development of housing.**

The need analysis describes a shortage of affordable housing units in New York State. By increasing the number of decent and affordable housing units, New York State will be addressing each of the housing problems: overcrowding, substandard units, and cost burden. The State plan includes the increase of the supply of decent and affordable housing by assisting in the financing of new construction, substantial rehabilitation, and conversion of previously nonresidential properties. While not specifically targeting funds in the Consolidated Plan for such programs, New York State believes it has a vested interest in the federal government's commitment to continue to provide resources for the operations, maintenance and preservation of Section 8 and public housing. The Consolidate Plan states: "The preservation of this irreplaceable low-income housing asset should remain a federal priority. Specifically, the federal government should maintain its commitment to rental assistance, preservation of housing eligible for mortgage prepayment and funding for operations, repairs, maintenance and modernization of public housing."

2. **Improve the ability of low and moderate income New Yorkers to access rental and home-ownership opportunities.**

Cost burden is identified as the most widespread of all the various housing problems by New Yorkers. Cost burden disproportionately affects New

Yorkers with low and moderate incomes. Renters make up the substantial majority of households with cost burden.

The Consolidate Plan includes the provision of rental assistance where possible and also to providing home-ownership opportunities to low-income and minority households. State housing agencies are encouraged to apply for Section 8 program funding.

The Consolidated Plan notes that there are insufficient Federal and State capital subsidies to increase the supply of affordable housing to address the problems of all those with cost burdens.

Additional strategies include making mortgages available with below market interest rates to first-time home buyers and providing rehabilitation assistance to low-income homeowners.

3. Address the shelter, housing, and service needs of the homeless poor and others with special needs.

The Consolidated Plan reflects that the demand for housing and supportive assistance for the homeless far exceeds the supply; particularly, the frail elderly, disabled, and other segments of the Population requiring supportive living arrangements or services.

Among the programs to be utilized, are the various Section 8 programs.

The Consolidated Plan addresses Public Housing Resident Initiatives. The Plan states that “the State of New York does not directly own or administer Federal public housing. Therefore the requirements of this section of the Consolidated Plan do not apply to the State of New York.”

“The State does have a State public housing program as noted in the Needs Assessment. Tenant participation in the management of housing authorities is not only encouraged in this State, but mandated in New York’s Public Housing Law, which provides that authorities having a population under one million be composed of up to seven members, including two tenants elected by public housing residents. The underlying philosophy has been to ensure that tenants’ needs and concerns are effectively communicated to the governing body of the authority and, when necessary, to DHCR, as the supervising State agency.”

The use of the term “low and moderate income households” includes all households at or below 80 percent of median income. Extremely low-income households are included in this category which has been identified in the needs analysis as having the highest magnitude of housing problems.

The New York State Objectives respond to the purposes of the National Affordable Housing Act that are:

1. to help families not owning a home to save for a down payment for the purchase of a home;
2. to retain wherever feasible as housing affordable to low-income families those dwelling units produced for such purposes with Federal assistance;
3. to extend and strengthen partnerships among all levels of government and the private sector, including for-profit and non-profit organizations, in the production and operation of housing affordable to low-income and moderate-income families;
4. to expand and improve Federal rental assistance for very low-income families; and
5. to increase the supply of supportive housing, which combines structural features and services needed to enable persons with special needs to live with dignity and independence.

In summary, the New York State Consolidated Plan strategies are consistent with and support the goals and objectives of the West Carthage Housing Authority.
