A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)

The mission of the Athens Metropolitan Housing Authority is to assist the very low-income, extremely low-income and low-income families with safe, decent, and affordable housing opportunities as they strive to achieve self-sufficiency and improve the quality of their lives. The AMHA is committed to increasing the supply of affordable housing by applying for any available additional assistance. The AMHA is committed to operating in an efficient, ethical, and professional manner. The AMHA will create and maintain partnerships with its clients and appropriate community agencies in order to accomplish this mission.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

AMHA PHA Goals and Objectives: (list below)

1. Maintain the current number of assisted families in both public housing and section 8 through efficient management operations and preventative maintenance

OBJECTIVES: Notwithstanding the serious problems associated with the new assessment system (PHAS) continue to be rated as a High Performer. Score as a High Performer under the new SEMAP system.

2. Increase housing assistance in both public housing and Section 8 as much as possible by creating partnerships with other agencies, applying for additional HUD assistance, e.g., Welfare to Work vouchers, engaging in innovative financing with the private financial industry, converting unassisted housing to assisted housing, and acquiring expired ACC properties for non-profit or AMHA management

OBJECTIVES: At the end of five years, provide up to seven additional units of assistance per year. Begin by providing three additional units of assistance in the first year.

Conduct annual meetings with landlords and owners regarding tenant-based assistance by December 31, 2000.

3. Without violating families' rights to privacy and their other legitimate rights, continue to have thorough and efficient applicant screening through rental reference checks, personal references, and criminal background checks as applicants acknowledge or AMHA prior knowledge of criminal history

OBJECTIVE: Decrease the number and seriousness of lease enforcement actions that are necessary.

4. Improve the quality of life for residents by continuing the "Greenhouse Project," improving playground and recreational areas, continuing educational programs, utilizing community groups, e.g., the university students Youth Corps League, to assist with resident services, continuing the "A.B.L.E." adult literacy program, and trying to maintain FSS coordinator funding in the Section 8 program.

OBJECTIVE: Even with shrinking federal financial assistance, the AMHA will at least maintain these initiatives at their present level. FSS is contingent on securing adequate funding.

5. Increase the quality of communication between AMHA and families

OBJECTIVE. Mail a newsletter to public housing tenants six times per year by December 31, 2000. Include summary sheet of new tenant options, etc., to distribute at recertification.

6. Continue to be proactive regarding affirmatively furthering fair housing goals and protecting the equal opportunity rights of citizens by advising tenants and participants of their equal opportunity rights at briefings and lease-ups, assisting tenants in filing complaints, and fully complying with all civil rights requirements

OBJECTIVE: The AMHA will actively market and distribute its brochure targeting minorities.

7. Take strong advantage of the new Section 8 homeownership program. This may include building housing to sell to families

OBJECTIVE: The AMHA will have at least two families per month participating in homeownership activities.
