ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

HOUSING NEEDS

This statement describes the housing needs of the very-low and low income families, including elderly families and families with disabilities, living in the Bristow community. Being located in the rural area of Eastern Oklahoma, housing choice and employment opportunities are limited for the area. There has been no major housing development in the area since 1974. These factors have contributed to the decrease in population for the area.

Upon examination of the current occupancy and the waiting list of the agency for tenancy, it is noted that the majority of the families range at or below the 50% of the area median income.

FINANCIAL RESOURCES

The Bristow Housing Authority has been currently experiencing a shortage of operating subsidy contributed to budget projected budget appropriations by HUD. The current Federal operating subsidies received are in the amount of \$345,021. A proactive approach through sound financial management practices and budgeting has afforded the most practical use of funds received by the agency.

POLICIES GOVERNING ELIGIBILITY, SELECTION, AND ADMISSIONS

This section of the Five-Year and Annual Plan is a statement of the Housing Authority's policies governing eligibility, selection, and admission, assignment, and occupancy policies with respect to the Public Housing (Low-Rent) and Section 8 Tenant-based assistance programs administered by the Housing Authority. Description of the implementation of the procedures for maintaining program waiting lists, including the implementation of the public housing admissions policy for deconcentration of very-low and low income families on the respective housing programs.

Upon evaluation of the assisted participants and applicant pools of the assisted housing programs, the Bristow Housing Authority has determined that is not in the best interest of the agency to implement such a deconcentration plan; thusly, no need for a deconcentration policy.

RENT DETERMINATIONS

This Agency Plan section is a statement of the Housing Authority's discretionary policies governing rents charged families for both the Public Housing and Section 8 Tenant-Based Housing Programs. Participant families are afforded the opportunity to choose on a flat rent amount or rent determined by formula based on income.

OPERATIONS AND MANAGEMENT

This section of the Agency Plan includes information regarding standards, rules, and policies governing the maintenance and management of housing owned or assisted by the Housing Authority; in order that the integrity and function of the agency may effectively met and provide those services and opportunities for those families served, thus fulfilling the mission of the Housing Authority.

GRIEVANCE PROCEDURE

To promote an equitable means for resident and/or applicant recourse, this section of the Agency Plan includes a statement of available grievance procedures.

CAPITAL IMPROVEMENTS

Considering the need for on-going improvement of the properties of the Housing Authority to meet the requirement of decent, safe and sanitary housing, it is the aim of the agency to ensure that necessary measures are undertaken to warrant the long-term physical and social viability of the properties.

In addition to this undertaking, the effect of capital improvements will benefit the marketability, on a competitively basis, of the Housing Authority properties.

To adequately address the requirement, a copy of the Comprehensive Improvement Assistance Program (CIAP) application is included describing the scope of activities undertaken to address determinate needs of the properties. Observation denotes that the accomplishment and actualization of these activities are limited to a limited funding of \$264,818.

DEMOLITION AND DISPOSITION

The Bristow Housing Authority does not plan any demolition or disposition of properties located at the Housing Authority developments.

DESIGNATION OF PUBLIC HOUSING

A statement for the designation of Public Housing is not warranted for the Agency Plan at this time due to the overall social health of the Housing Authority populace. The Bristow Housing Authority has an established history of the social harmony and benefit of a mixed population structure.

CONVERSION OF PUBLIC HOUSING

The U.S. Department of Housing and Urban Development has not finalized rules and regulations regarding this requirement. This section will be reserved and information provided following future guidance, if any, from the department.

HOMEOWNERSHIP

With limited resources and housing availability, it has been a challenging experience of the Bristow Housing Authority to adequately promote homeownership for housing participants. However, it is believed that with increased efforts afforded to promote interest in this direction, involving housing providers, realtors, and others of the housing industry that homeownership opportunities can and will be realized. The Housing Authority has observed the success of several Section 8 Tenant-Based participants progress to actual homeownership over the years.

COMMUNITY SERVICES AND SELF-SUFFICIENCY

Included in this section of the Agency Plan are copies of our Resident Economic and Self-Sufficiency Policies and procedures.

SAFETY AND CRIME PREVENTION

The Housing Authority has a zero tolerance for criminal activity on and about its properties, and the safety and well-being of the residents/participants served is first in its efforts to deter any criminal element. This is attributed to, and is not limited to, effective lease enforcement.

To meet this end, a security officer has been employed by the agency and provision is made for occupancy of police officers on the development property. A well-established relationship with local law enforcement, with constant daily patrolling, prompt call response and visibility are an added benefit. The residents are actively involved in semi-quasi neighborhood watch.

OWNERSHIP OF PETS IN PUBLIC HOUSING

This section of our Agency Plan contains a statement of our policies and requirements pertaining to the ownership of pets in public housing. Currently, the Housing Authority has an implemented Pet Policy; however, the Department has notified all Housing Authorities that a new policy governing ownership of pets in public housing is forthcoming. Upon direction and receipt of the policy, the agency will adopt and modify its policies and procedures for compliance, in order that pet owners and non-owners of pets will be satisfied.

CIVIL RIGHTS CERTIFICATION

This section of the Plan contains the required certification. The Bristow Housing Authority will comply with all applicable Civil Rights requirements while taking an affirmative stand to further fair housing in its administration of all its housing programs.

MOST RECENT FISCAL YEAR AUDIT

This section of the Plan contains a copy of our most recent fiscal year independent audit. The plan describes the need for an audit and describes the method by which the Housing Authority will select its auditor.

ASSET MANAGEMENT

This section of the Agency Plan is reserved for copies of documents not covered in other sections of the Plan. It is the intent of the Bristow Housing Authority that upon examination of the Agency Plan, that the public and other interested parties will be well informed about the undertaking of the Housing Authority to ensure that the financial and physical assets are directed to fulfill the mission, objectives and goals of the Housing Authority.
