The PHA changed portions of the PHA Plan in response to comments

List changes below:

Other: (list below)

HOUSING AUTHORITY RESPONSE TO COMMENTS:

We have included vent hoods and appliances in our Capital Fund plans for the next five years. Back porches were not a high priority and we would like to have storm shelters if and when the money is available for them.

RESPONSE TO CUSTOMER SERVICE AND SATISFACTION SURVEY

SAFETY:

We have increased the number of security lights at most sites. we have ordered new exterior locks for all units (but they have not arrived yet as they have to be keyed to a master key at the factory). We have tried to implement a Neighborhood Watch, but we cannot get any participation from the residents and if the residents will not participate the Housing Authority cannot make them.

If and when the residents break the rules in their lease the Housing Authority dose take action that includes eviction, if the violation warrants eviction. This action sometimes requires the support of other residents, who are not willing to go to court for the eviction process.

Police response is slow. due to the location of our units. We are in rural areas where the Sheriff office has a very limited staff.

SERVICES: FIRST I NEED TO EXPLAIN THAT WE HAVE 85 UNITS LOCATED IN THREE COUNTIES IN SOUTH-EASTERN OKLAHOMA. IN 7 DIFFERENT LOCATIONS. (RATTAN 25 UNITS, BATAVIA 9 UNITS, BETHEL 6 UNITS. SMITHVILLE 15 UNITS, HAWORTH 15 UNITS. SPENCERVILLE 6 UNITS & NASHOBA 9 UNITS).

We are served by a rural electric coop. And there are times when we do not have electricity, but the Housing Authority has no control over this. Choctaw Electric Cooperative restores the electricity as soon as they can.

Appliances & Plumbing: The majority of our residents do not call in with work orders. They wait until the maintenance man is in their area and have him fix what ever is wrong. Sometimes he does not have the parts for repairs (and there is no where to purchase some parts in small rural towns) and he has to return to the maintenance shop in Rattan to get a part or even go to Paris, Texas (which is an hour drive) to get the part, therefore it takes longer to repair some appliances than it would in a large town. To call a service mechanic it would take one to two weeks to get one.

Smoke detectors: We have not had a single complaint about smoke detectors in the last year. We check the smoke detectors twice a year during our inspections. We are replacing all of the smoke detectors, using 1999 Capital Improvement money.
