Deconcentration and Income Targeting

It is the objective of the Housing Authority of the Town of East Greenwich (EGHA) to achieve and maintain a resident community whose incomes reflect a broad range at each development.

The methods through which the EGHA intends to accomplish this objective is as follows.

Affirmative marketing and outreach programs. The Community shall be made aware of the availability of the housing assistance programs. The EGHA will initiate a publicity campaign through announcements to news media and other media form as determined necessary. The EGHA shall also send notices to the posted in social service agency offices and advocacy groups for the elder and disabled populations.

The establishment of a wait list preference for applicants with an adult family member who is employed at least 20 hours per week.

Priority for enrollment or receipt of supportive services provided or coordinated by the EGHA.

Deconcentration Standards:

Income Mixing: To avoid concentration of very low income families in developments and to offer incentives to families the EGHA will skip families, the EGHA will skip families on the Wait/list in order to achieve income mix goals, as follows:

EGHA 40% of families do not exceed 30% of AMI
60% of families do not exceed 80% of AMI

Income Targeting: EGHA will reserve a minimum of 40% of its units for new admissions for families whose income does not exceed 30% of the AMI. (This goal can be offset by an increase in the rental assistance admissions but not more than 10% of the remaining admissions can have up to 80% of the AMI)

Income targeting: RA The EGHA will reserve a minimum of 75% of its new admissions for families whose income does not exceed 30% of AMI.

EGHA/RA A preference will be given to families who agree to execute a Family Self-Sufficiency contract.

EGHA The EGHA has set a goal that 50% of its families are working families.
The EGHA will accomplish deconcentration through affirmative marketing, outreach notices.
